Woah, his hair's so long.
-Long overdue for a haircut, you mean?
HA
HA

So how old is he?
He's 20.
That old?
Does he have a job or anything?
Gods! No!

He just stays in the basement all day--
--drawing little cartoons.
He won't even go to the supermarket with me.
You should spend more time with your mother, you know. She's an excellent woman!
Yep!
Oh you two flatter me.
Your family will always be there for you when no one else is!

Oh hey there, would you like to have some ca-

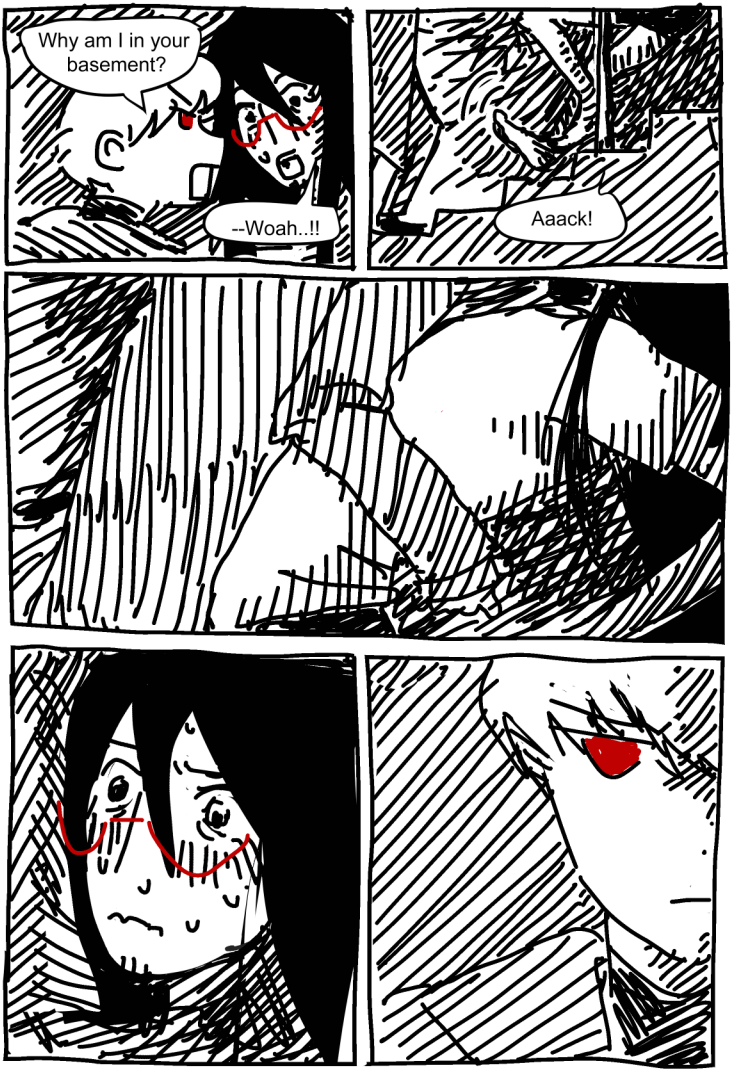
You...
Where am I?

Answer me.
Um...
Ba...
Basement...
Your in my basement...

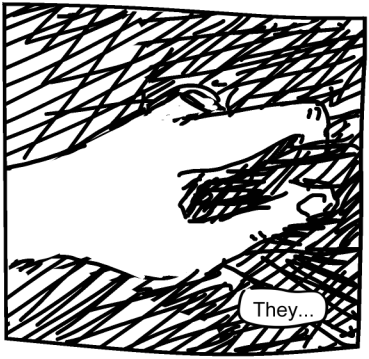


Why am I in your basement?
--Woah..!!
Aaack!

Look, are there people upstairs?
Um...yes.
Great then.
Wait!!
Why?
Um...

They might...hurt you if they see you

Why would they do that?



They...

They hurt...me.

You. Are you one of Dr. Zeiroth's victims?
Huh?
I knew he had something to do with this.
I'd heard whispers of experimenting his new portal technology on random civilians
But I never imagined he'd just send clueless people to other dimensions.

How disgusting...
You.
My name is Axon....
...and I'm gonna get you out of hee.
First we'll need to get some--

Daisy!
Daisy? Are you in there?
Who is that?
Hide!!
I'm coming in!
Daisy!!

How are you? I mssed you so much!
Uh, yeah hi Maisy.
Um...
CREAK
I missed you too?

Oooo, has it gotten longer?
I...don't think so?
Can I wash your hair and put it in a nice ponytail?
Um...
Sure....
Yay~

So what've you been up to?
Um...just drawing...
!? Really?
Yeah!
Speaking of drawing, I've signed up for some art classes around here.

Yes! I'm going every two days!
In fact, I'm going tommorrow
... didn't know they had art classes around here.
Want me to sign you up then?
No!!! Please don't!!
Um, why'd you decide to take them?

I just figured I should do something when i'm back home.
Plus...
I wanted to be as good as you.

I just realized you probably have no hair dryers or combs or anything here.
I'll go get some.
Oh, um, okay.
Who was that?
Ah!

Her name's Maisy.
She...
In my homeworld she was my little sister
I don't know if she's actually my little sister or just a doppleganger.
Why? Do they act differently?
...They're about the same.

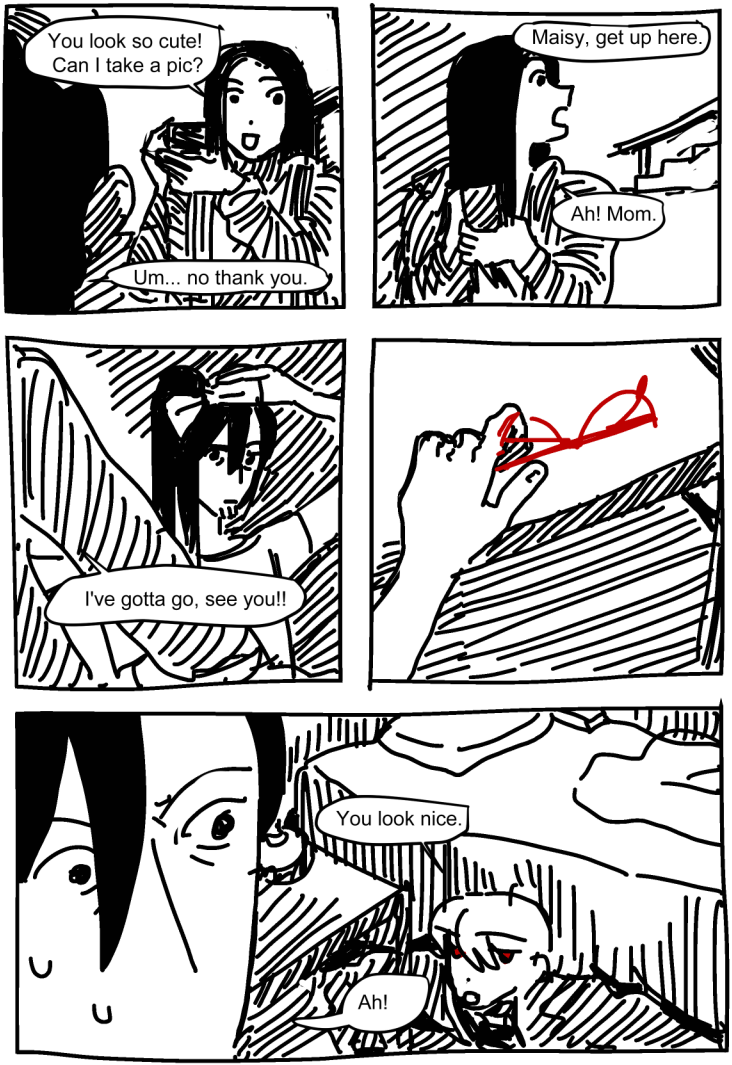
She's probably my sister, I'm just being paranoid.
I think she got um, brainwashed--
--by Dr. Zeiroth into thinking this is her original...world.
That's a plausible theory.
I know Dr. Zeiroth's wife is a hypnotist.
But why would they do this?

Is it a part of some grand scheme....
Daisy! I'm back.
M-Maisy!!

Er, so what are they gonna teach you...at the classes...
Figure drawing!
They're gonna be bringing in a model--
--every class for us to draw on like newspaper.
There'll be a teacher giving advice and stuff.
I follow her on instagram actually,
That's how I found the class, actually.
I totally can't wait to see her.

I'm surprised haha!
? Why?
Your hair...
I thought you'd change it... cause your school...
Why would I change my hair cause of school?
I like my hair.
Plus,
It's nice that we match right?

yes..!!
Tada~



You look so cute! Can I take a pic?
Um... no thank you.
Maisy, get up here.
Ah! Mom.
I've gotta go, see you!!
You look nice.
Ah!

Axon...
Your name is Daisy?
Oh, yeah.
When do you think we can do some reconnaissance around here?
Do the people upstairs ever leave?
Um, they're asleep at night.
We'll have to wait then.

Tell me about yourself.

What was your life like before you got forced here?

Um, I had a little sister-
Sorry I already mentioned that.
No need to apologize.

We lived in a little house,,,
...away from the city.

My parents....

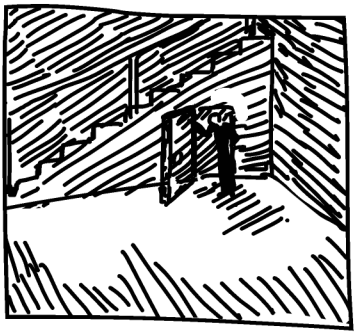
My dad was drafted into the war.
He was shot and killed.
My mom was mauled to death...
...By a rabid dog.
Living after the death of both of your parents must've been difficult.
...It is.

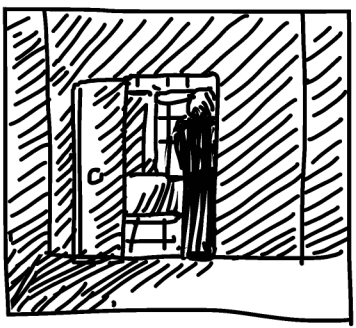
It really is.
I will do anything to get you back home and happy.

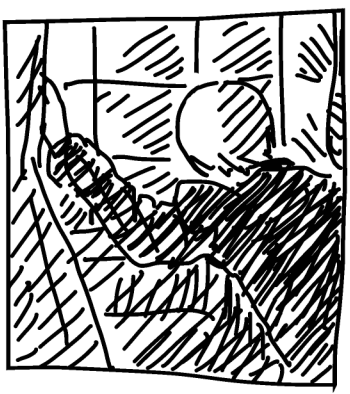
Um...
The dendrite rule must fall.
I'm happy your here to save me...

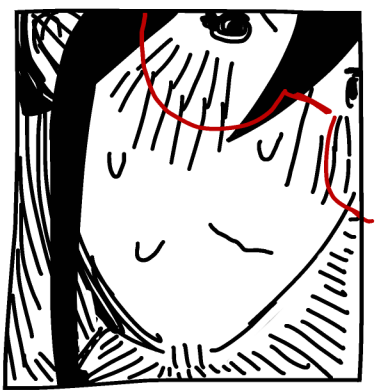
Hey.
Are you hungry?
Huh?
Yeah, um--A little.
I'll go get you some food then.
Wait--No!!
I'm not that hungry.
Let's just get some food later.
...Are you sure?
Yes!!
I don't wanna be alone.

...Okay.
I'm gonna inspect the area in this basement.
Okay.









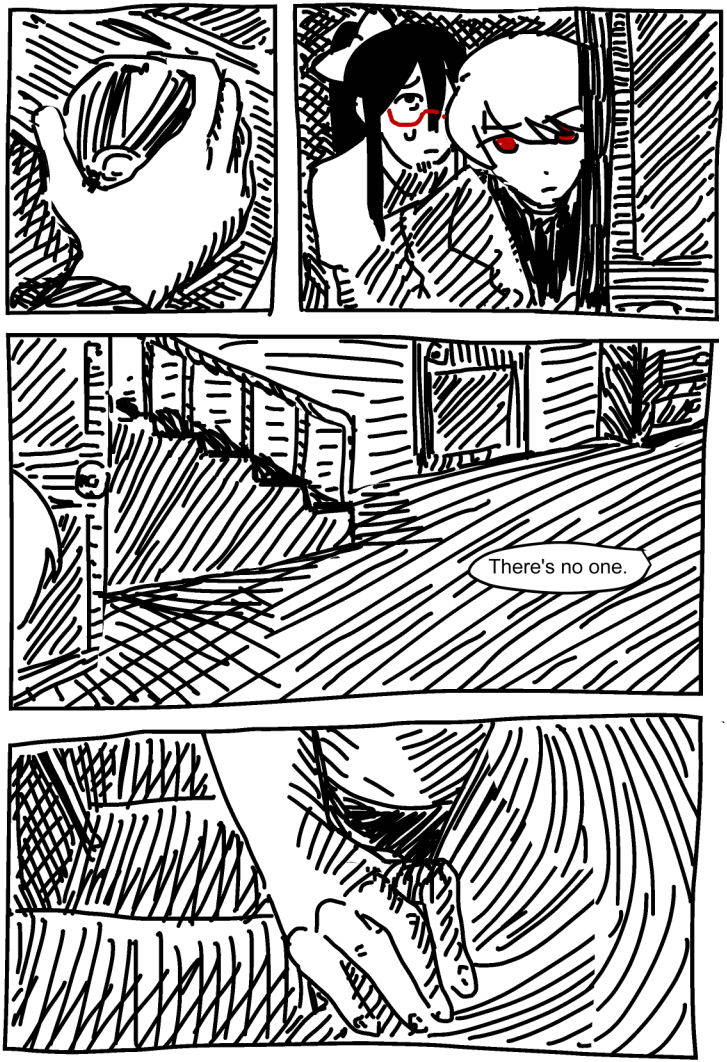
I didn't find anything.
Huh? Oh yeah,
What is that?
Don't!!

...Is that...
Is that me?
Ah! Uh...
Why are there drawings of me here?

Before I got sent here...
I saw your face on a wanted poster.
Your face really stuck with me.
I drew you because you reminded me of home.

That's amazing to hear.
Drawing is a wonderful craft.
Thank you...

...It should be night time by now.
23:00
We should head out.
Huh? Uh, okay.



There's no one.

Ack!
Daisy...!!

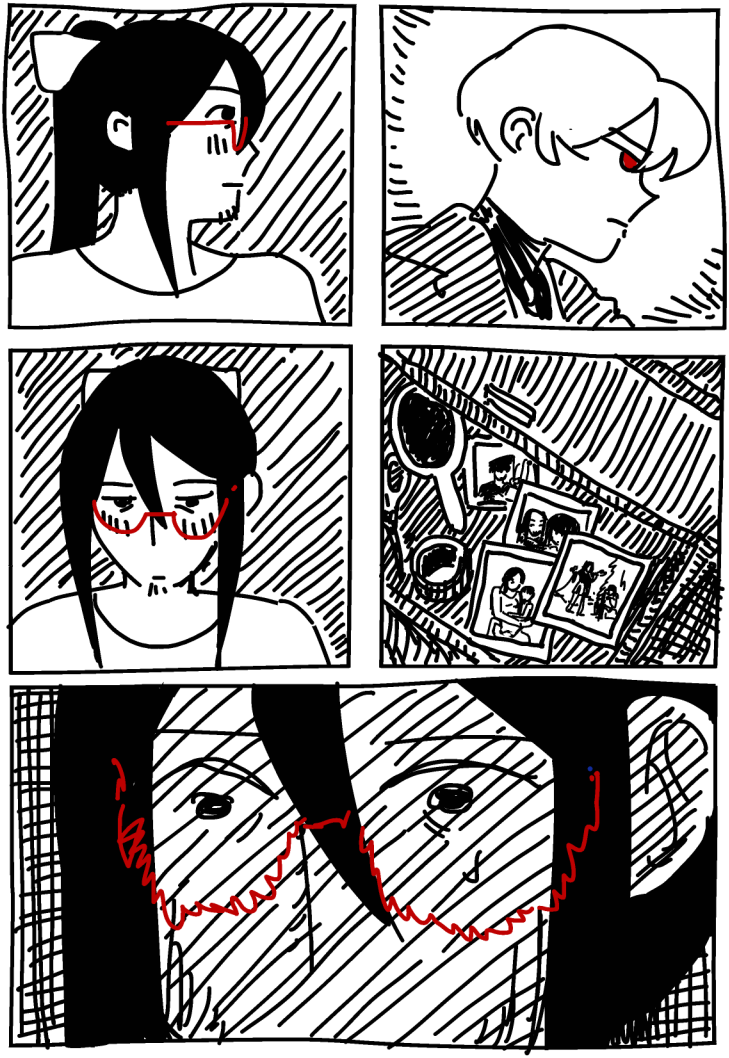
Ugh..!!
It hurts...
Give me a moment--
--I'll help you.

W-what are you doing!?
Ah!
Er...
I'm...

I'm...
...Half virus.
Oh yeah!
You are.
My bodily fluids can heal injuries and such..
I can't bring back the dead though.

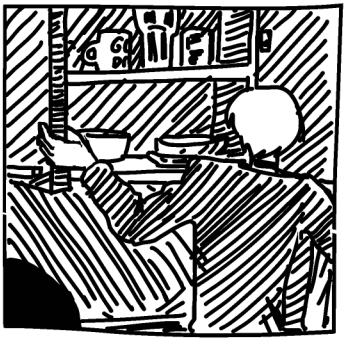
...I'm surprised.
You don't seem shocked.
...I would be.
What kind of irreponsible person left this chair out of place?

Well, people are just like that.
So where do you wanna search first?
Let's try that drawer over there.

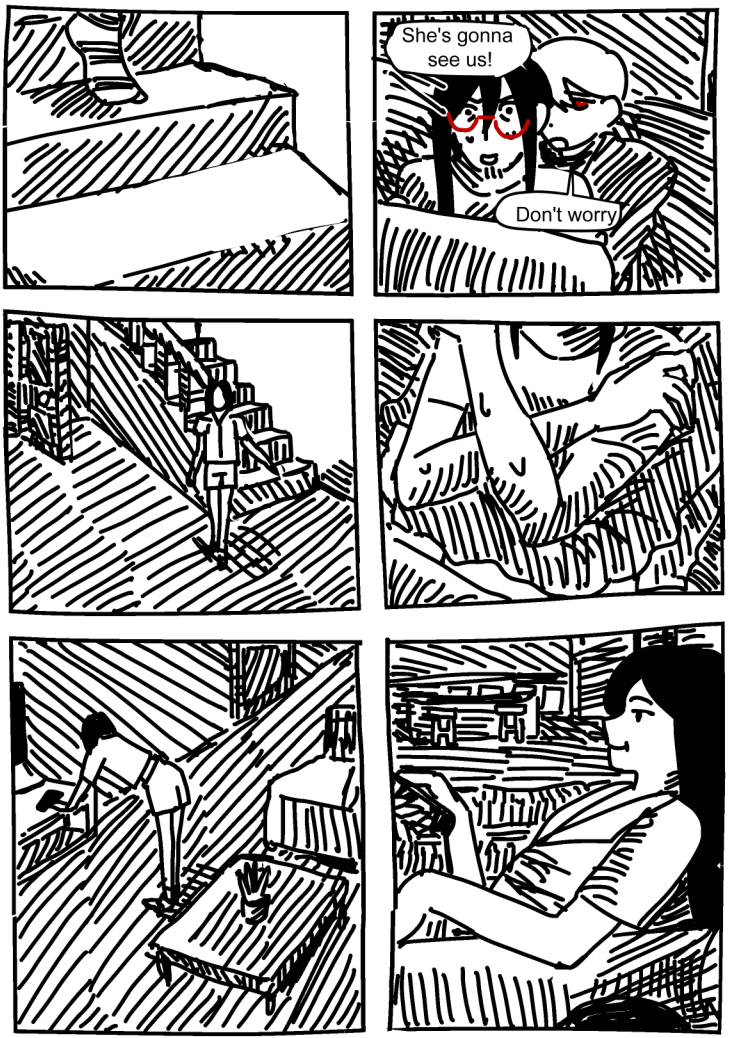


Do you remember taking those pictures?
Um...
Yes.
But I don't know if my memories were fabricated or not.
...Living without knowing what is reality...
...and what is fake.
It's admirable how you've managed to stay here.

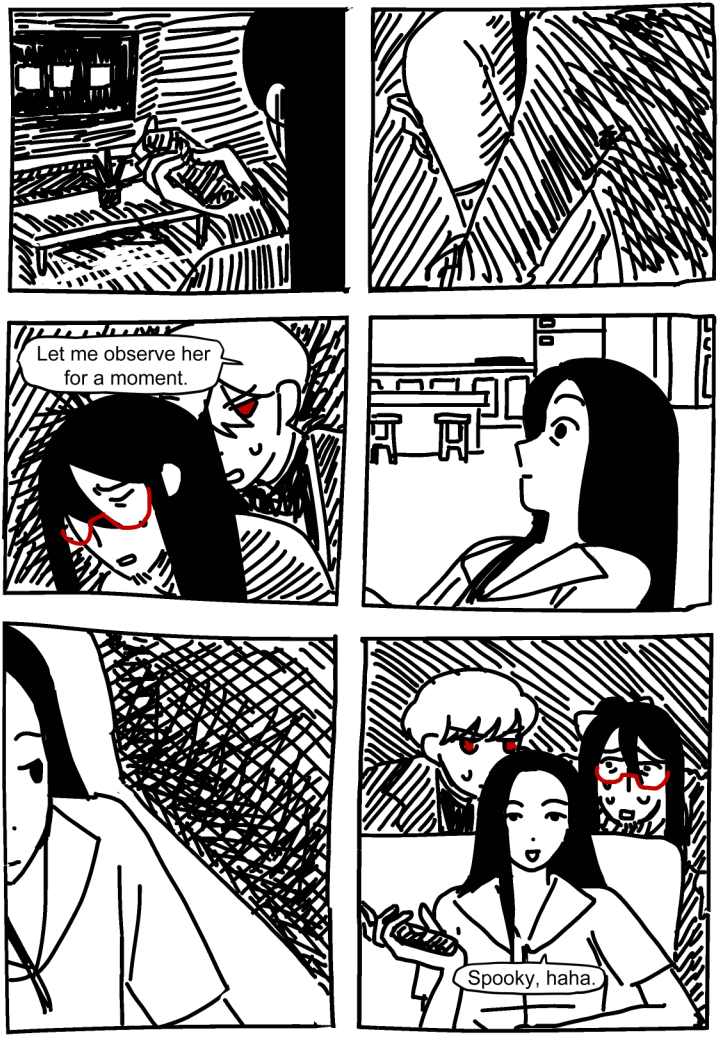
Thank you...



We found nothing.
CLICK



She's gonna see us!
Don't worry



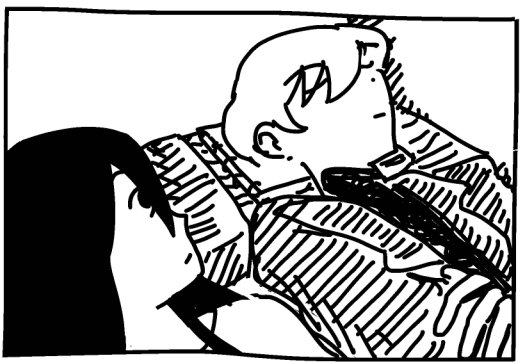
Let me observe her for a moment.
Spooky, haha.

AAAAAHHHHH~
It's coming from the movie.

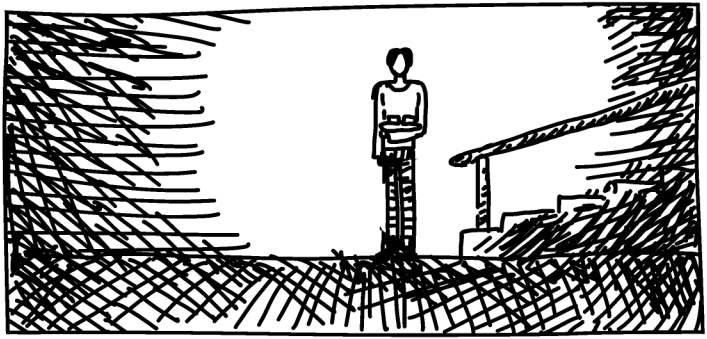
I apologize if you felt scared up there.
I just wanted to get as much info as possible.
It's fine, I knew you have good intentions.
Um...
Would you like to sleep on the bed?
I wouldn't want to bother you.
It's okay. I'd never be bothered by you.
I haven't slept on the same bed with someone else ever since I was 5.

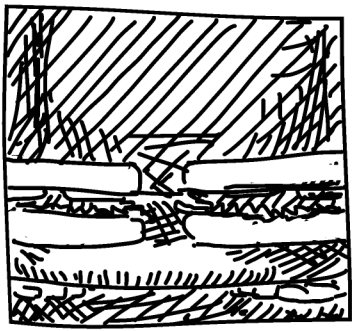
Okay, then.

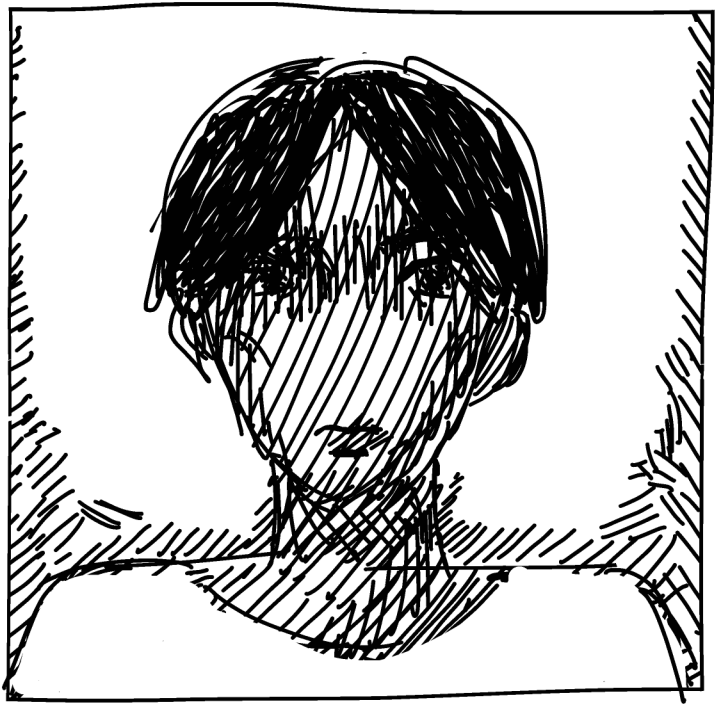
9:00

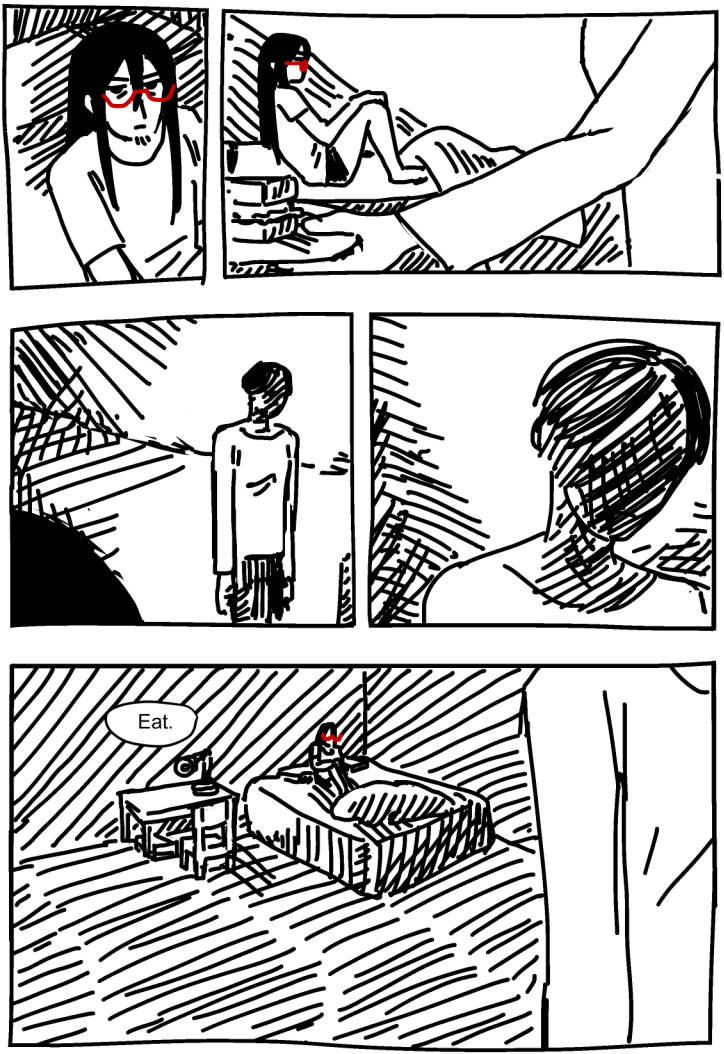


Good to see you slept well.
Hehe.
Would it burden you if I used your shower?
No, not at all.

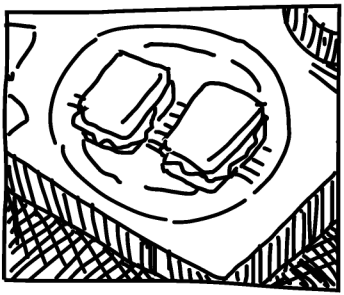








Eat.



Where'd that sandwich come from?

Uh...

Maisy gave it to me while you were in the shower.

...I can't believe I didn't get you any dinner out of the fridge yesterday.

It's fine...
You're probably hungry--
--have one.
No, you should eat it.
I'm not hungry at all.
But I want to see you eating.

Fine.
Make sure to eat the other half.
I will!

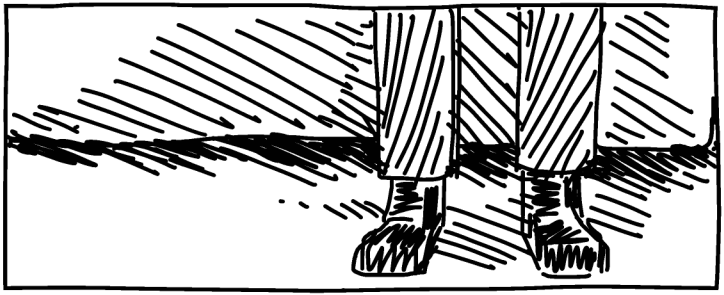
You're not eating the fillings?
? Yeah.
You should eat them, they'll give you energy.
I don't really need energy.
Plus, all the ingredients are too wet for me.
I can feel the dried water off the vegetables --
--and the brine of the tuna.

Well, atleast you're eating.
DING!
Abt to go to class^_^ wish me luck!!

Good luck, teehee :3
SENT
Is that a mobile phone?
Huh? Uh, yes.
They exist in this world too...

Interesting...

You must be lonely.
I used to be.
But now I have you.



Daisy.

Daisy.
Wake up.
Huh?

Your phone is ringing.
Oh...

Mmm...

...Daisy,
Was that your mother?
Huh? Uh yeah.
Well, actually not really...
...What was she asking of you?

Probably asking me to do some chore--
--Or attend some dinner full of people I don't know.
Could you?
...What?
We searched the basement and found nothing.
If you could get a chance to speak to-
Both you and I don't know much about how this world functions.
Just listening in on them---
Are you joking?

They're all psychotic-- those people!
I'm only suggesting-
I can't stand being near those vultures for even a second!
You're supposed to help me.
Why are you trying to kill me!?
AGH!

...I apologize for asking that of you.
I should've known you couldn't handle it.
Instead...
I will go in your stead.
What!?
You can't!
I won't let you!
They'll rip you apart if they see you!
That does't matter.

What matters is saving you!
I don't care!
I refuse to let those heathens anywhere near you!

...I apologize.
I won't go out there,
Okay?
I don't want you to be upset.
...Thank you.

--Too hot.
Your sleepwear looks a bit thin.
Don't worry. I'm not cold.

AH!
Quiet down!
Oh my god! Who the hell are you!? What do you want from me?
Please calm down, Maisy.
God! Fuck! How do you know my name!?
I am a friend of your brother's.
Brother!? You mean Daisy!?
She's my sister you know!
And what do you have to do with her!?

He--she.
I am helping her....
Help how!?
Pray tell, do you know of Dr.Zeiroth?
Dr. Zei-what?
Ur...
He's a mad scientist guy, right?
Daisy told me about him when we were kids.

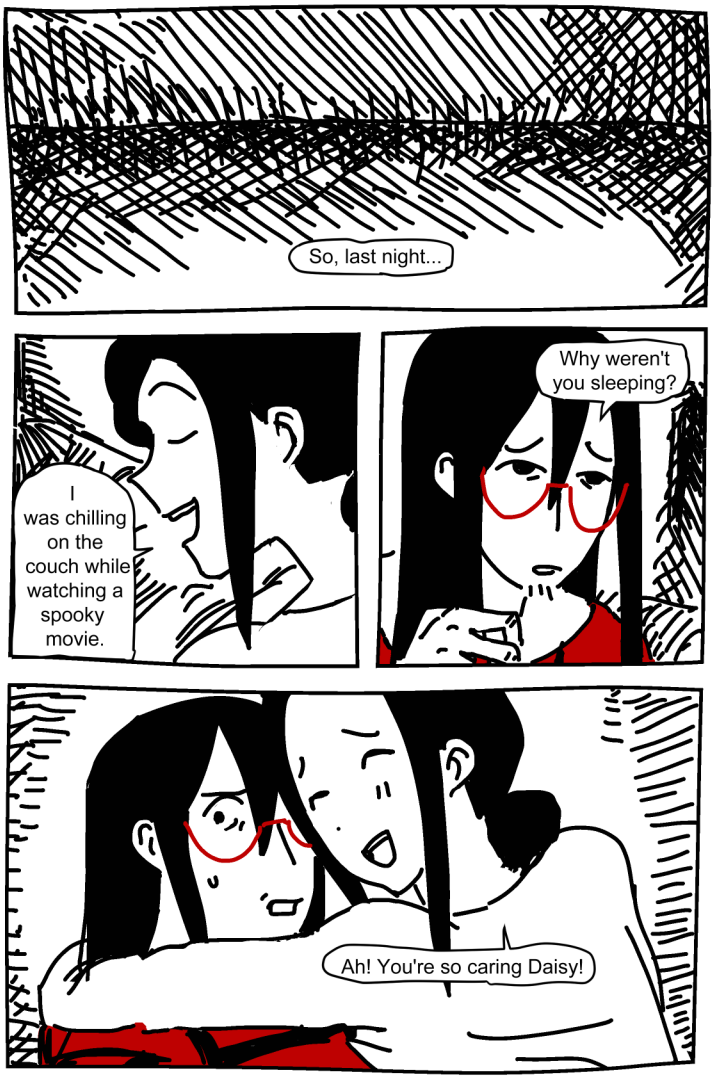
Kids...?
Yeah, when she was 12 and I was 10.
U
Have you ever met him?
Obviously not..?
I mean, he's not real.

Interesting.
Do you know of the dendrite regime?
They're the bad ones, right?
Did you come to that conclusion by yourself?
Well...it's obvious isn't it.
They literally kill kids.
Anyways-Why are you quizzing me about this?
Who even are you!?

Thank you for your cooperation. I'll be leaving now.
Wait!! No!!
Tell me your name!! How old are you? That hair looks awesome by the way!!

Huh, what ...
Maisy?
Wakey wakey Daisy!
Mom and I made eggs benedict.
Wait where's-
Ah...
Come on, what're you waiting for?
Try some!
I'll get nauseous and puke if I eat now...
I'm not hungry.

That's too bad~
Anyways..
I have the craziest story--
--to tell you!

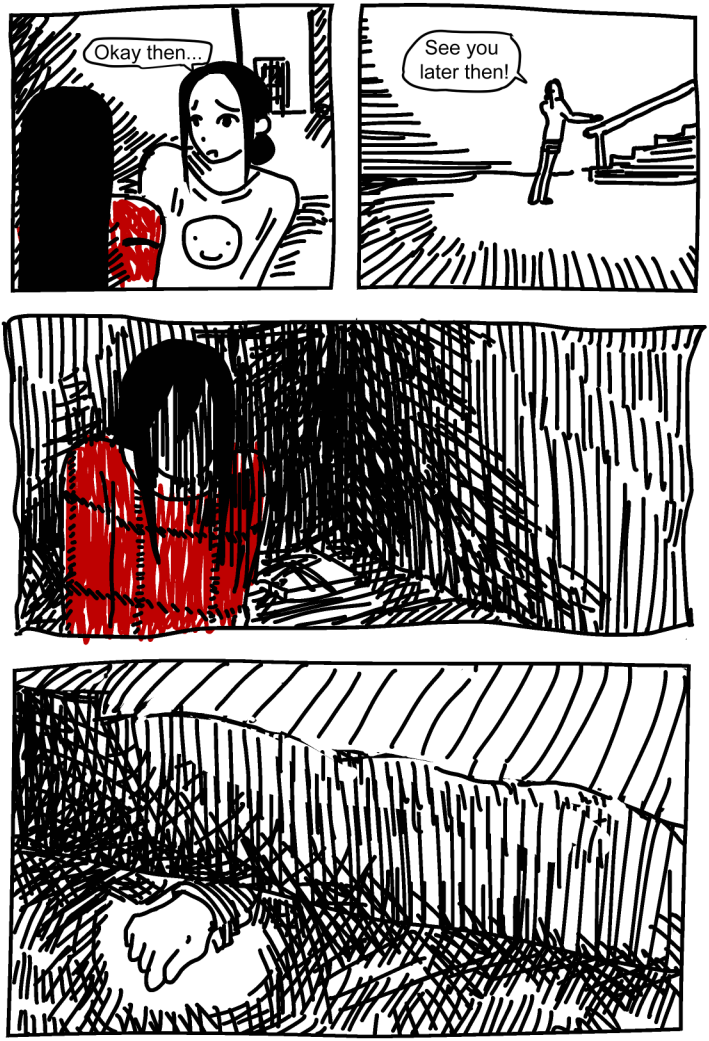


So, last night...
I was chilling on the couch while watching a spooky movie.
Why weren't you sleeping?
Ah! You're so caring Daisy!

I just wanted have a bit of suspense--
--in a dark house and all.
Anyways, so,
I was sitting there, but then...
...someone called out my name!
...What!?

Obviously, I freaked out and screamed.
But, this guy was like super weird.
He kept asking me about you ocs and like, their lore.
Also!!
His hair was white, haha.

I probably should've called the police.
Maisy.
Awh, why?
Can you leave right now?
I want to be. Alone right now.



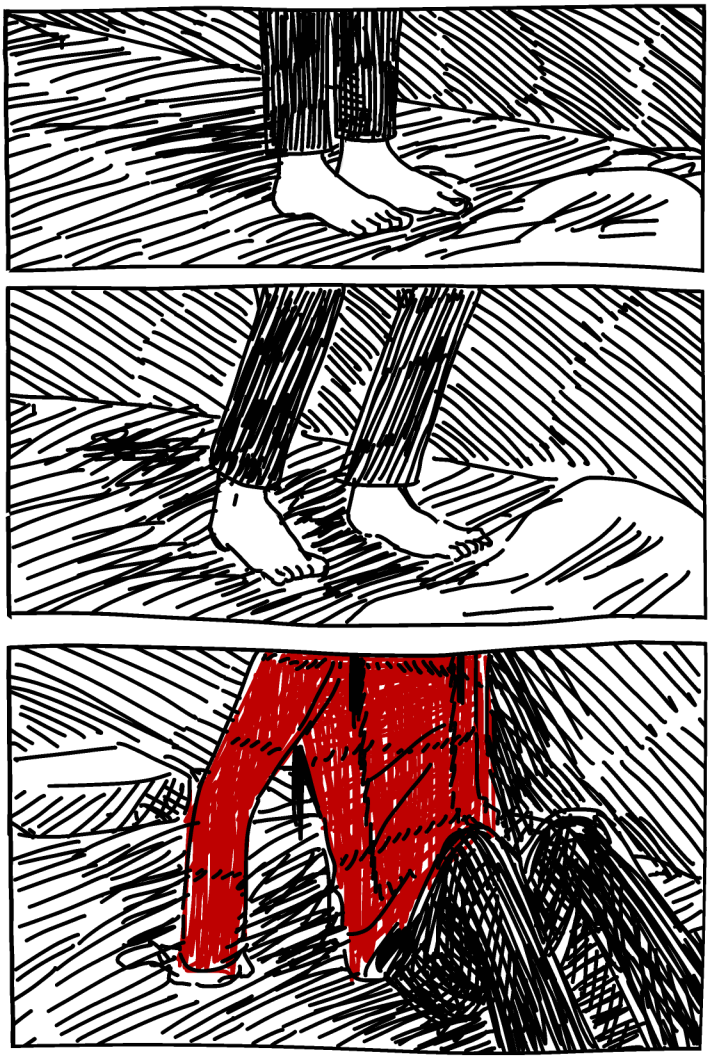
Okay then...
See you later then!

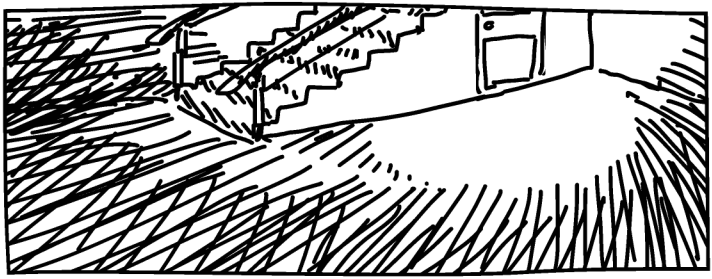
Daisy-
What the fuck is wrong with you!?
I needed to do it to help you.
What if Maisy had called the police on you?
You could've been killed!
You know I would've hid in time.
I'm strong enough to defend myself.

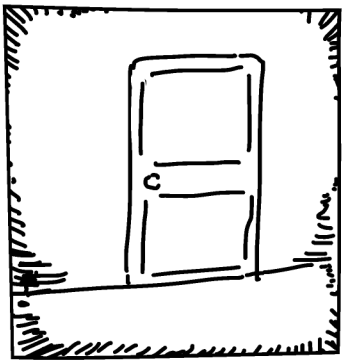
Maisy even told me some information you omitted.
Oh.
Oh my god.
That's it.
Get out of my fucking sight!
Leave me alone, all of you!

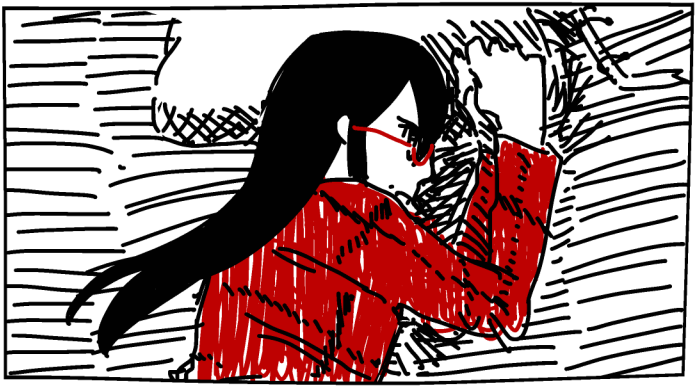
Daisy-
Shut up! Get out.
Where do you want me to go then?
Go in there and think about what you've done!

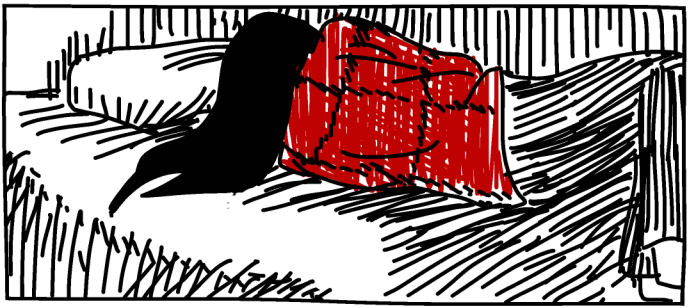
Okay, I will.

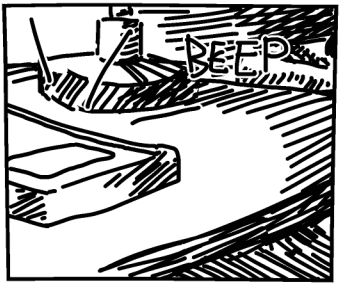




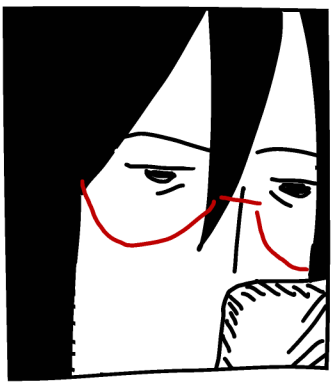








BEEP



daisyyy >3< do you wanna go to hangout at the park and have some lunch somewhere?
srry im texting u cause you said you wanted to be alone.

omg oki!! let's buy chips too >u<

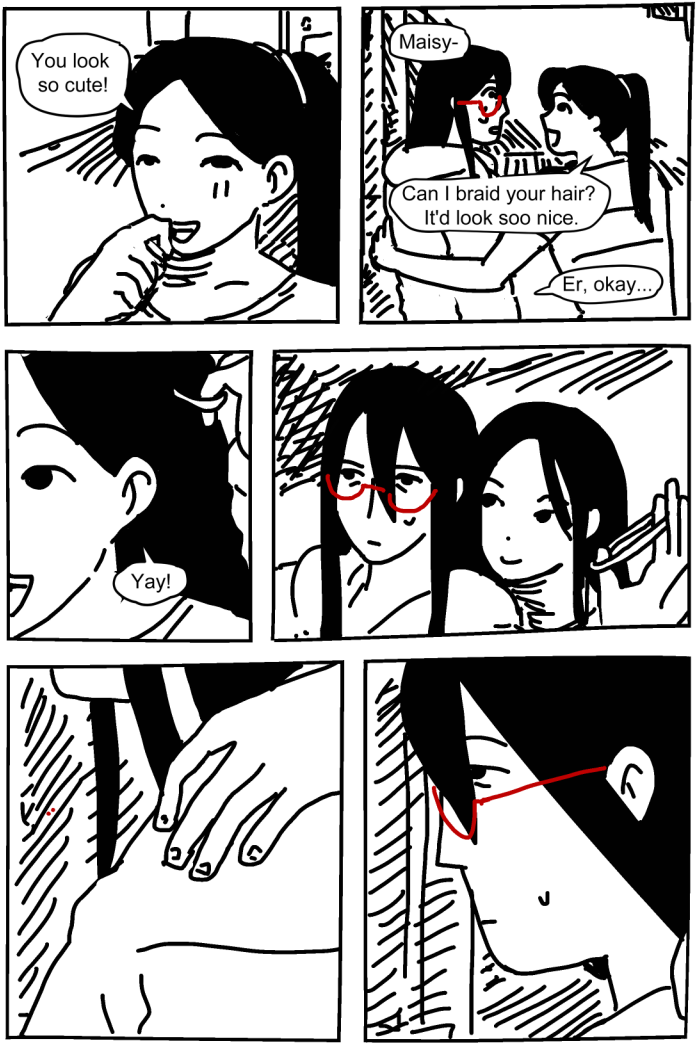
Daisy!

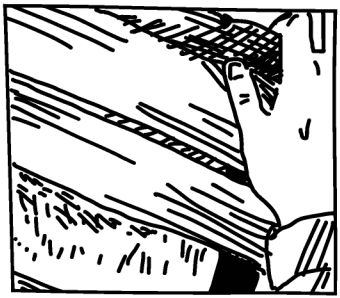


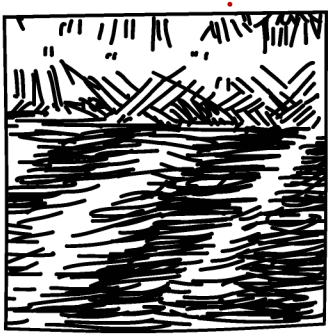
You look so cute!
Maisy-
Can I braid your hair? It'd look soo nice.
Er, okay...
Yay!

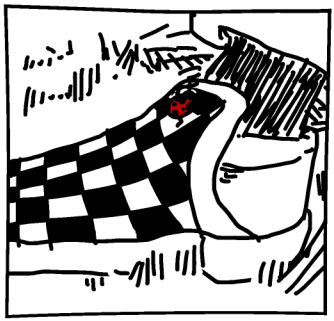
You look so pretty!
Oh, I have earrings too, want 'em?
...Ok...

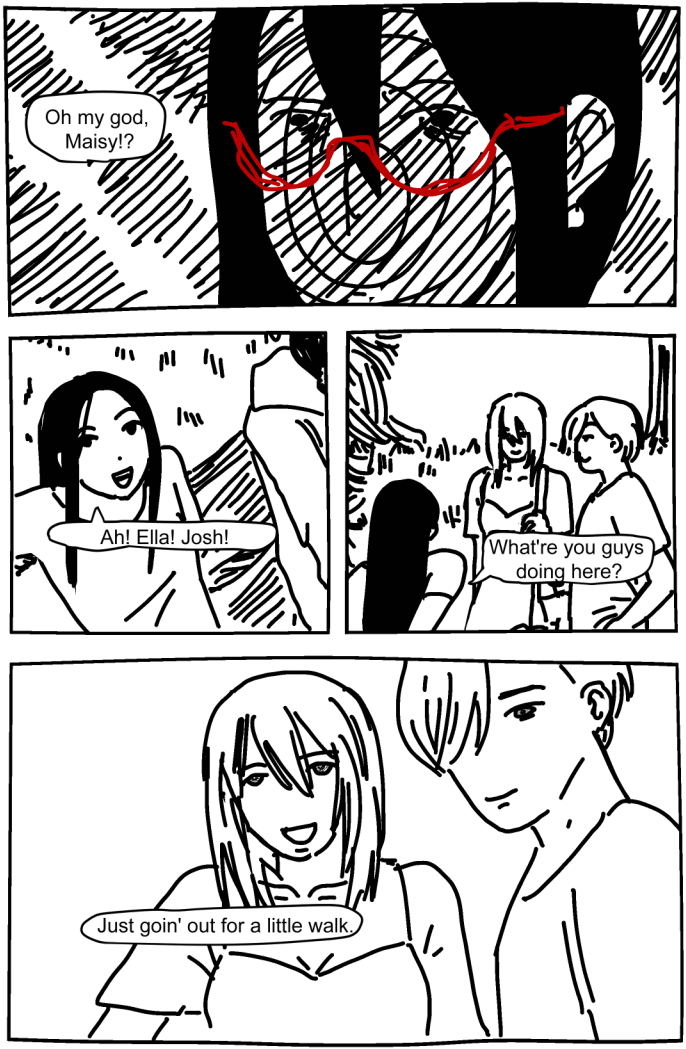
The uber ride is gonna be two hours long by the way!
Wah!?
It's hot...

You should take off that hoodie then.
Maisy, I'm tired...
Can we go rest on that bench over there?
Really? It's only been like five minutes though.
I'm tired...
If you say so~







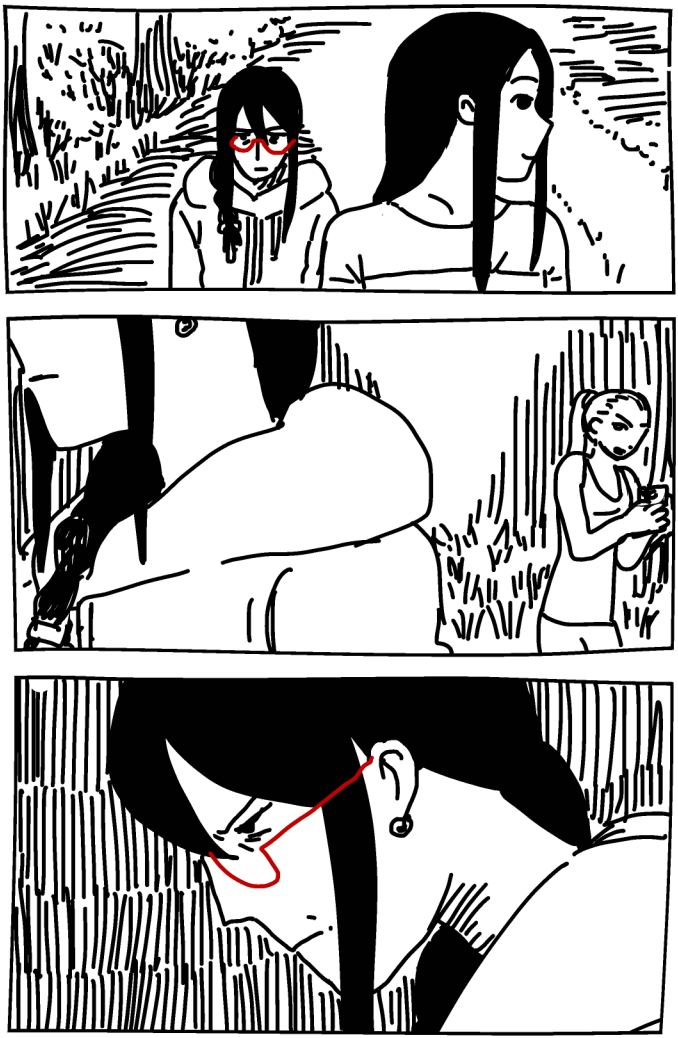


Oh my god, Maisy!?
Ah! Ella! Josh!
What're you guys doing here?
Just goin' out for a little walk.

Oh!
who's this?
She's my sister!
Her name's Daisy, teehee.
Aw, your name rhymes with theirs.
Dude, your hair is seriously so long.

Well, we better get going haha.
Yeah.
Aw, already?

Well, see you guys later!
Let's go, Daisy, I think we've rested enough.
...Okay.

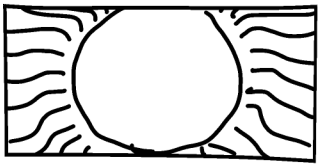


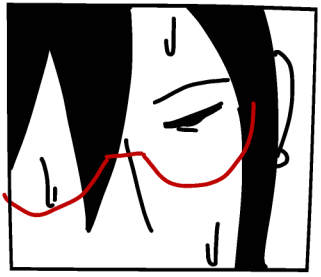
Daisy! Look! A playground!
Let's go play!
Uh...
Are you sure...?
Weee!!!

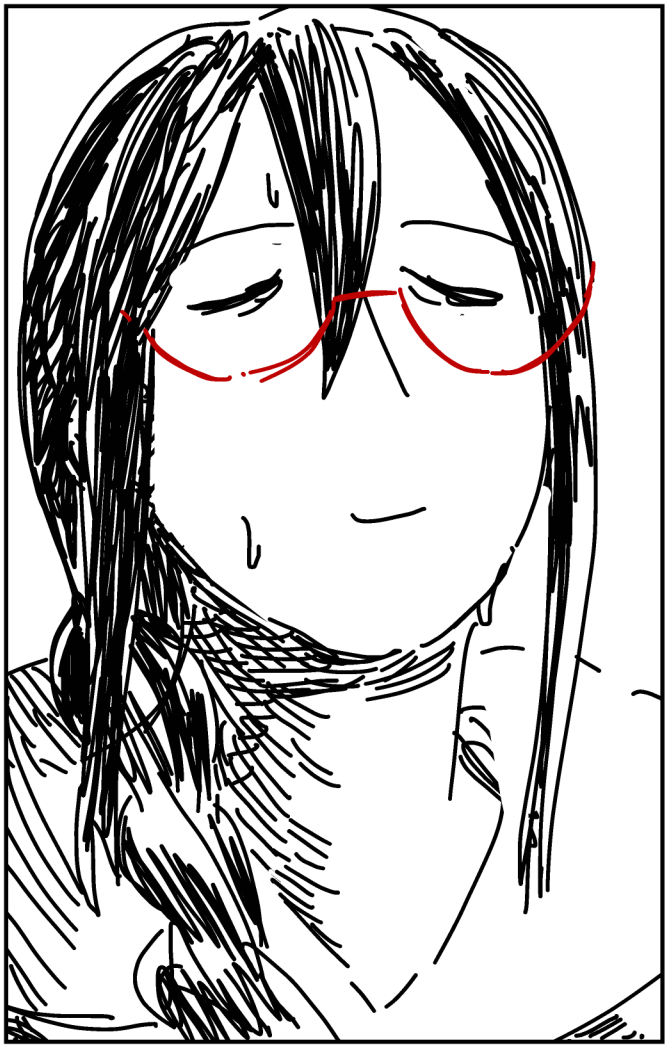
Hehe.
Be careful...

Woohoo~!
Ack! Haha.
Maisy!
Are you okay?
Yeah, I'm fine.
That was fun~

Ah!



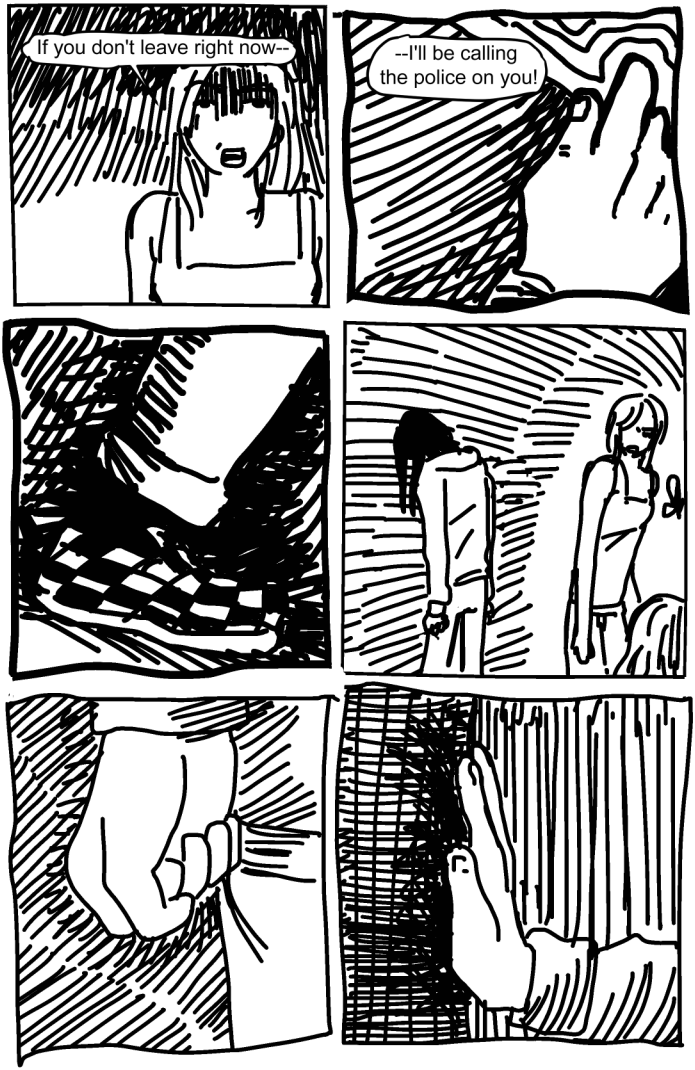




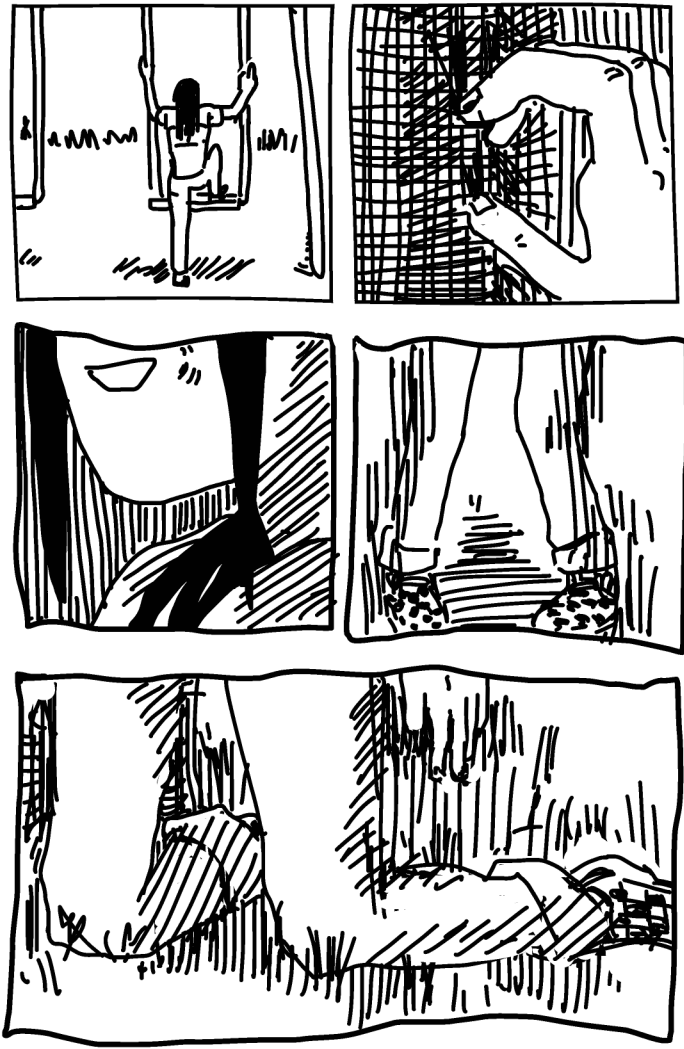
Excuse me.

My DAUG HTER here wants to PLAY --
--On this PLAYground meant--
--For--
--KIDS.

You're a grown man--
--staking out on a children's playground!!
You freak!



If you don't leave right now--
--I'll be calling the police on you!

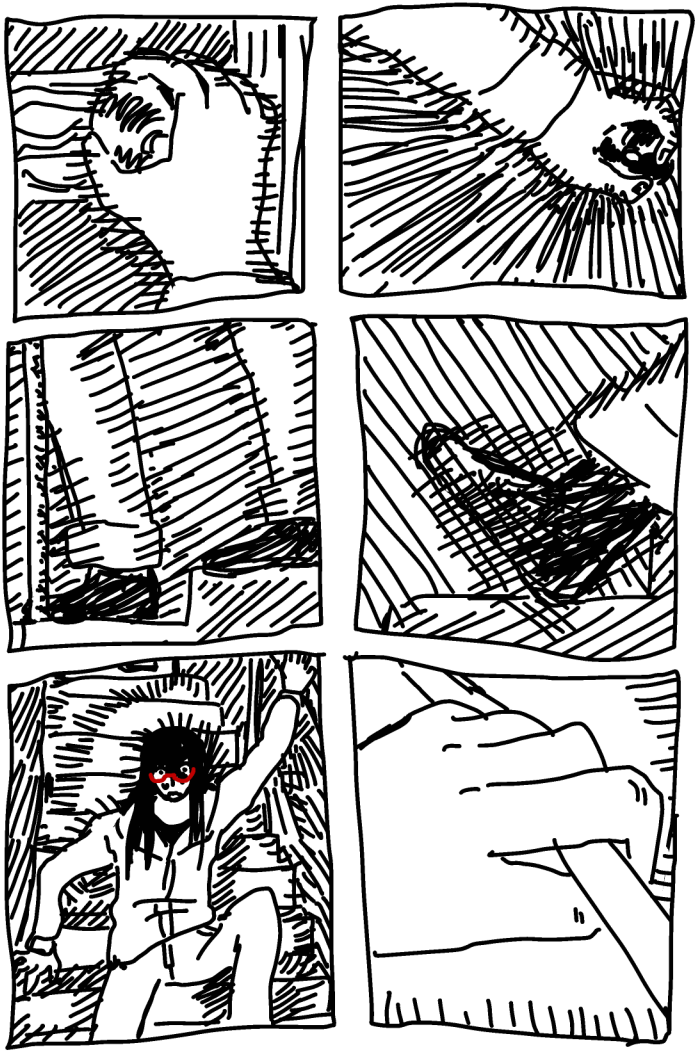


Daisy!
What are you doing down there?

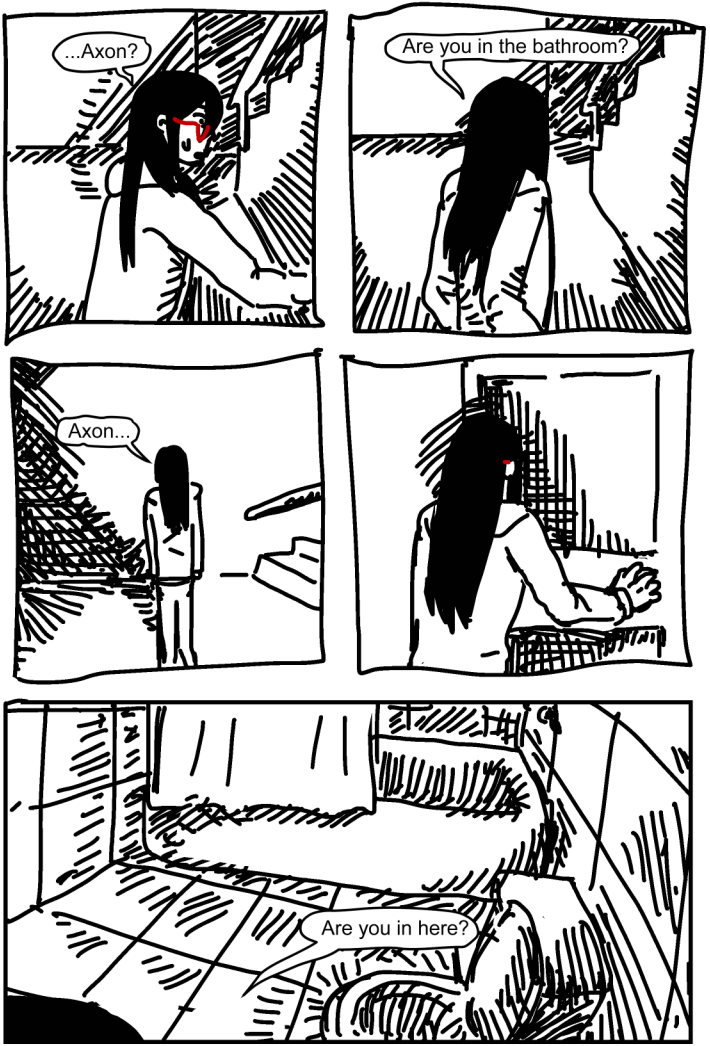
Get up, Helene.
Let's go get lunch.
...Go Home?

But we haven't even had lunch yet! It'd be a waste to go home now.
Didn't you want chips too?
Ah, fine then.
We can go home, I guess.

?
!!!!
?

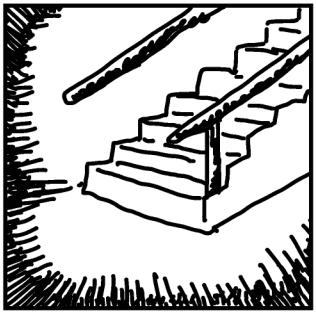


Axon!

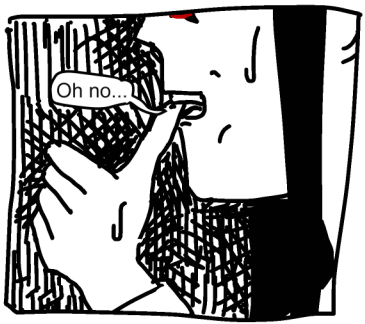


...Axon?
Are you in the bathroom?
Axon...
Are you in here?

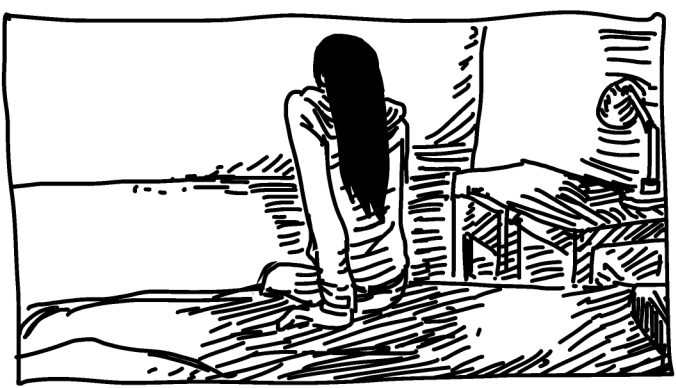
He's not here...
Are you down here, Axon?
Axon...
Where the fuck are you!?



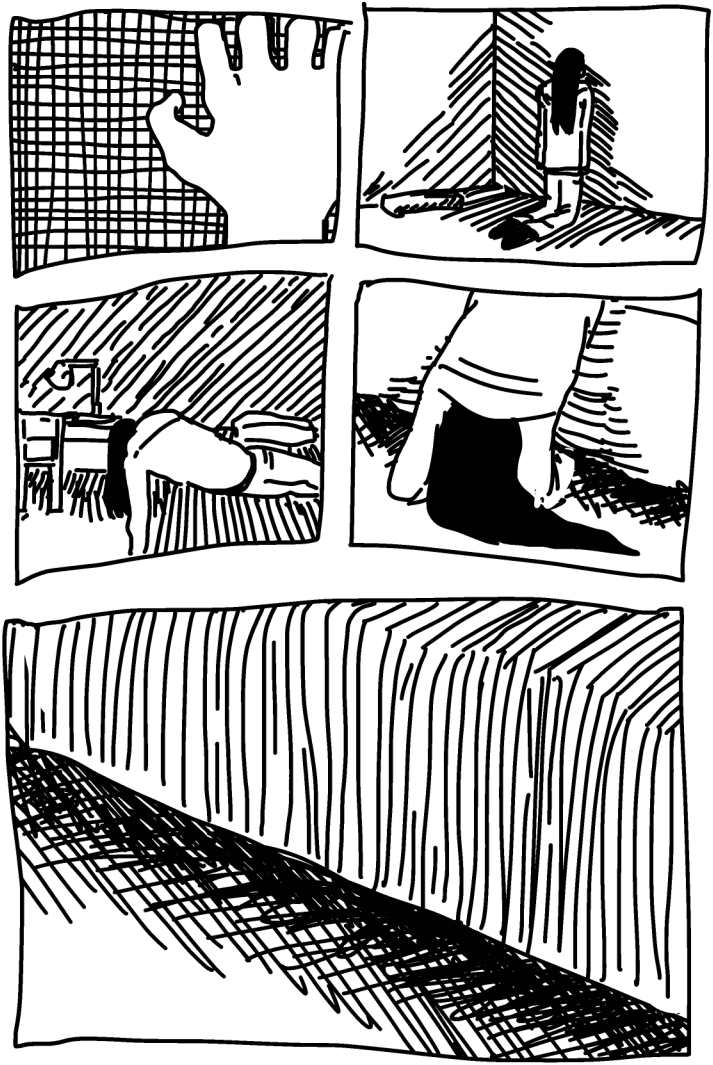
Oh...

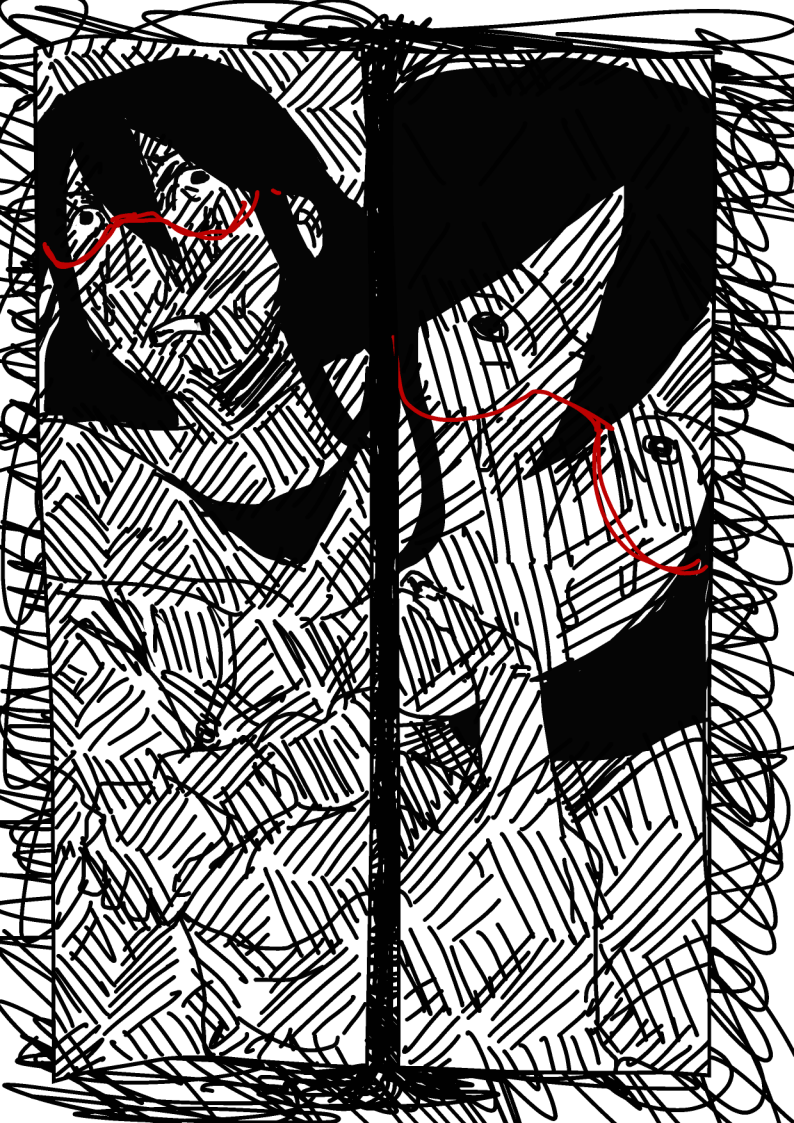


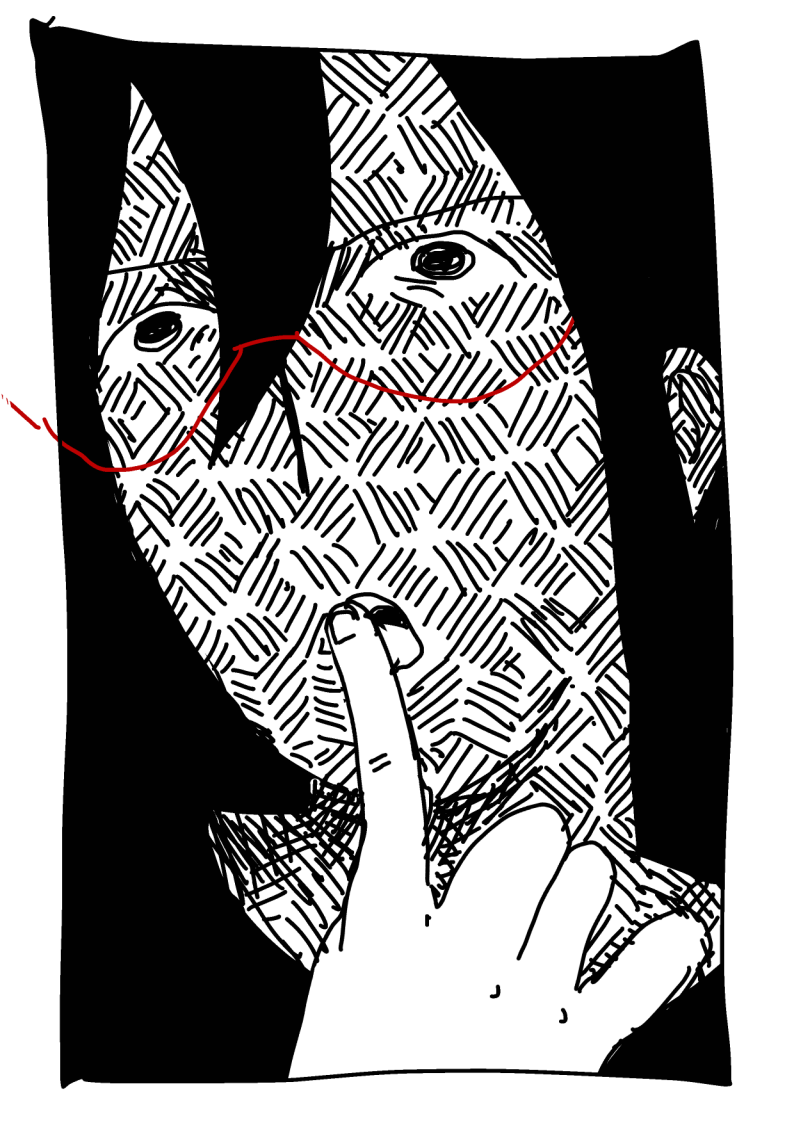
Oh no...

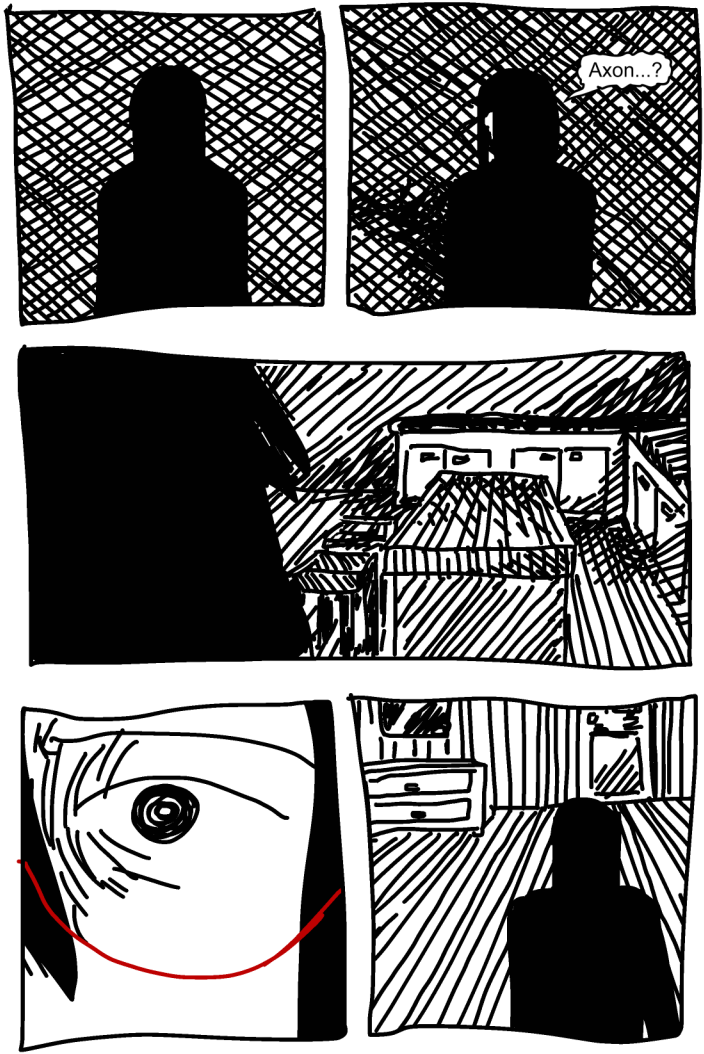


AAAAHHHHH
HHHHHHHH



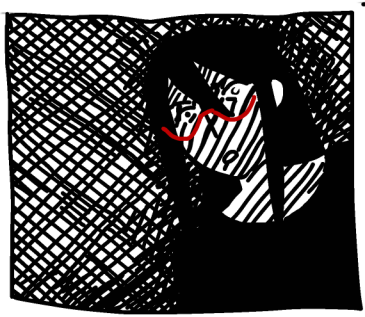


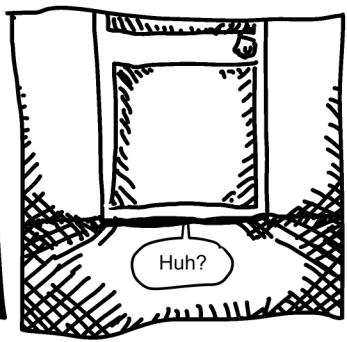




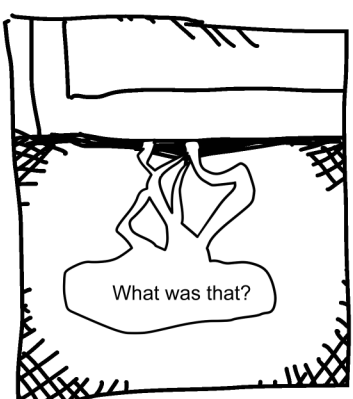
Axon...?

AHHHHH
NOOO PLEASE DON'T---



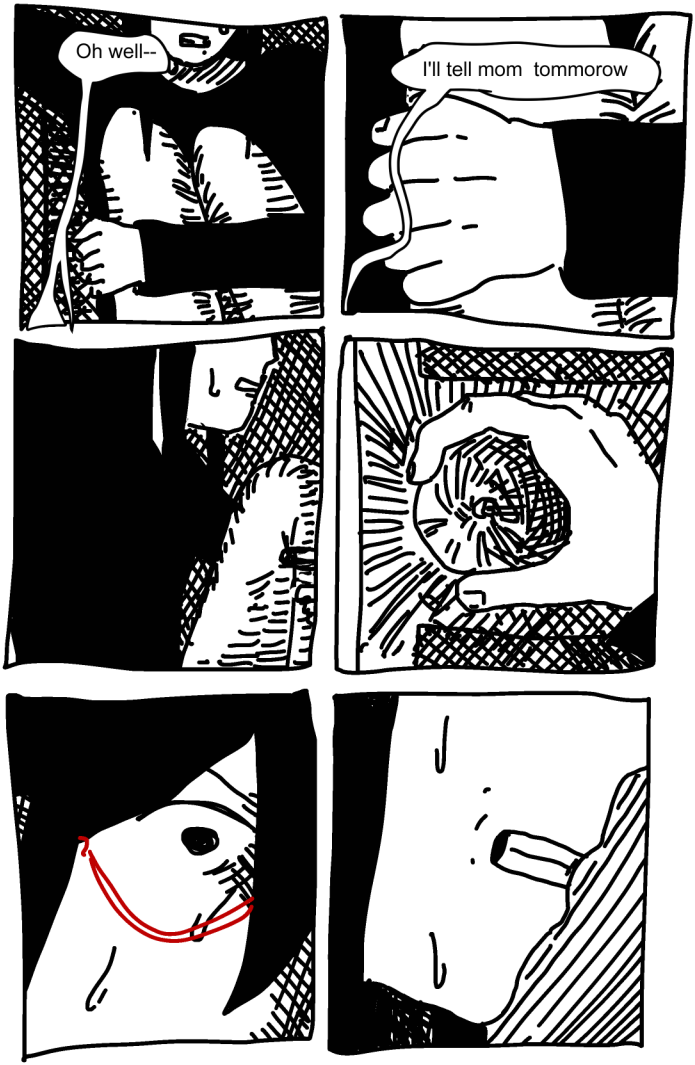


Huh?

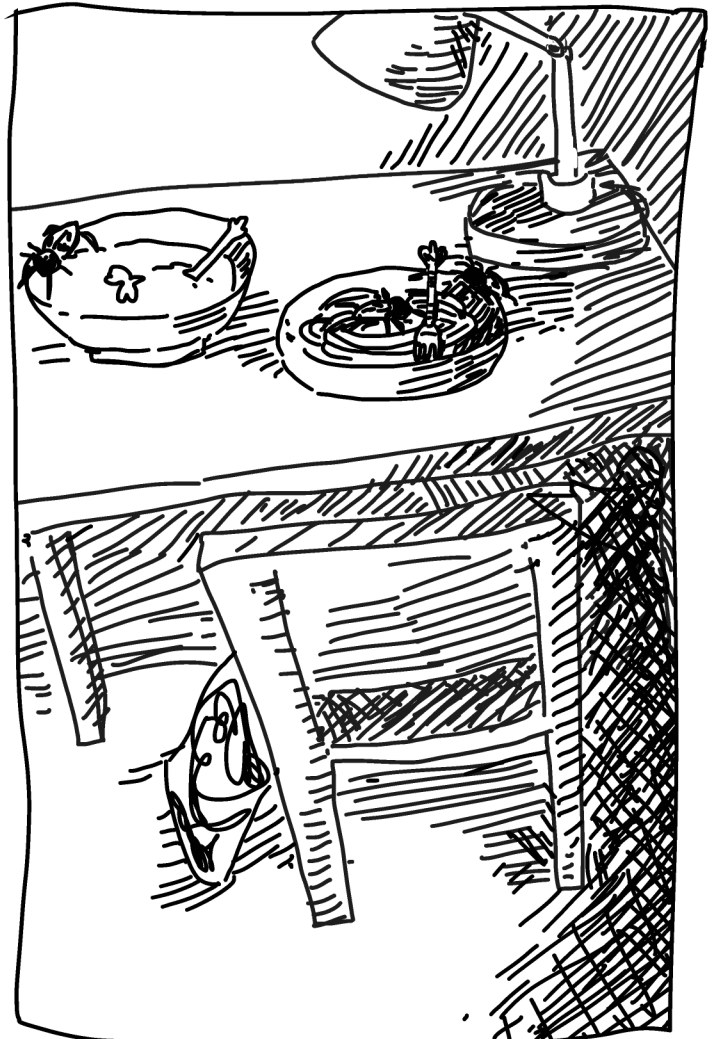


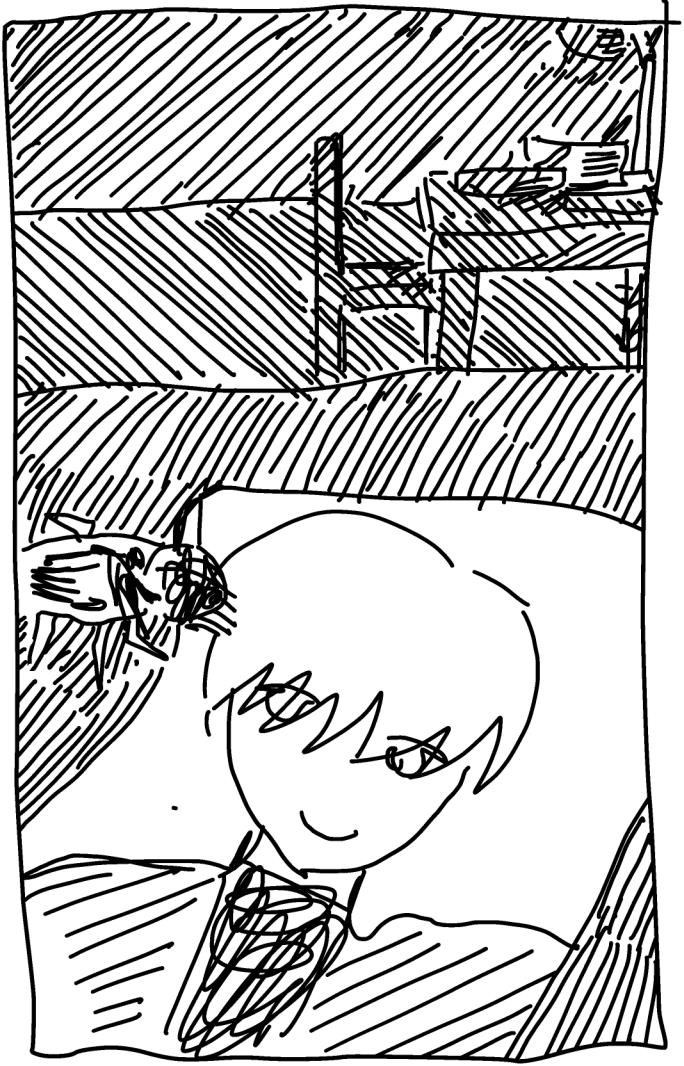
What was that?

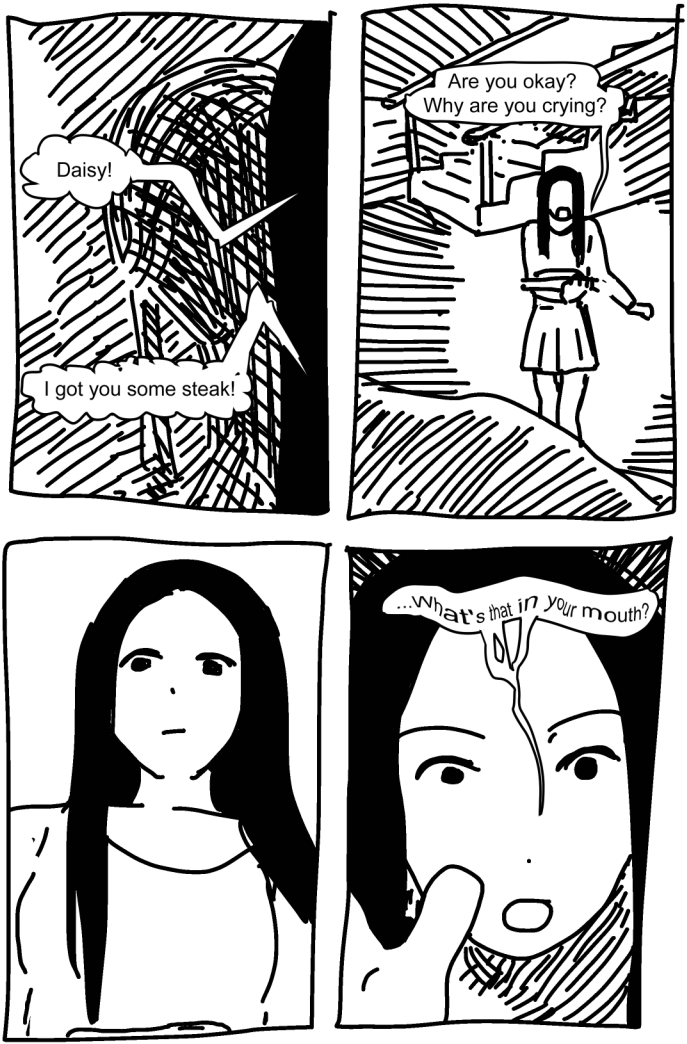
Oh, Damn.
How'd this vase break...?
Was there an intruder or something?



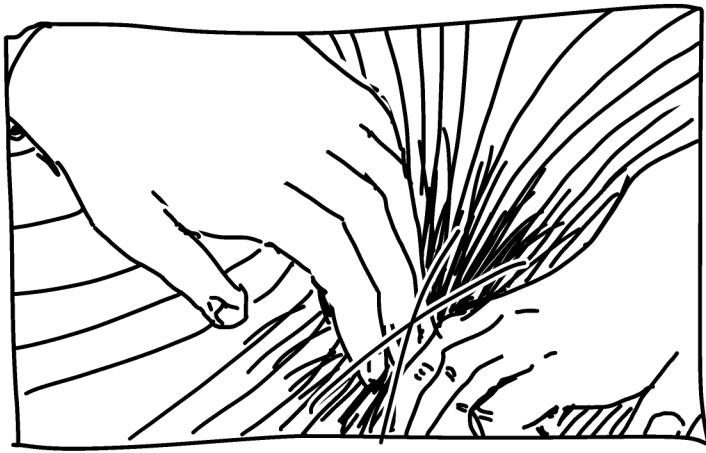
Oh well--
I'll tell mom tommorow

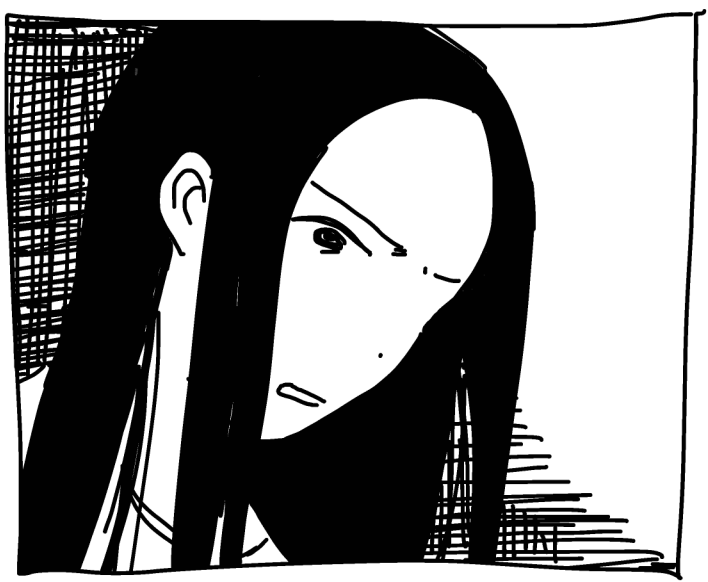






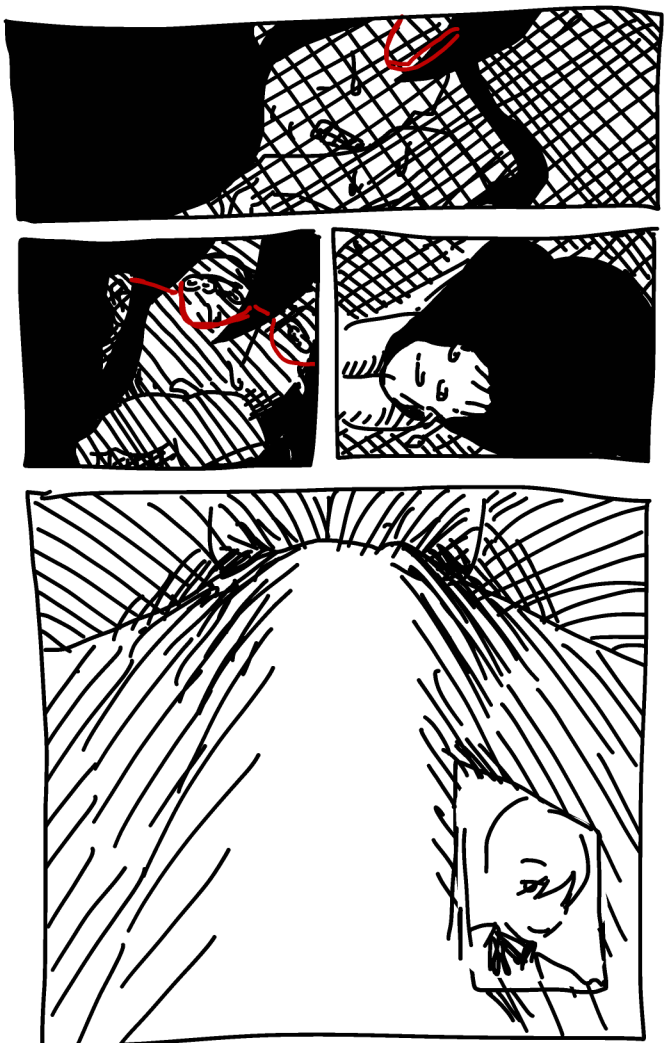
Daisy!
I got you some steak!
Are you okay?
Why are you crying?
...what's that in your mouth?

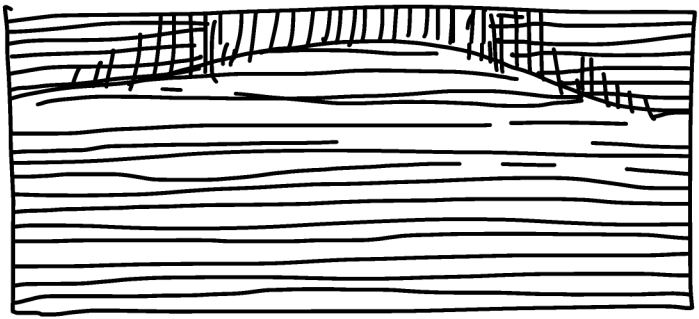




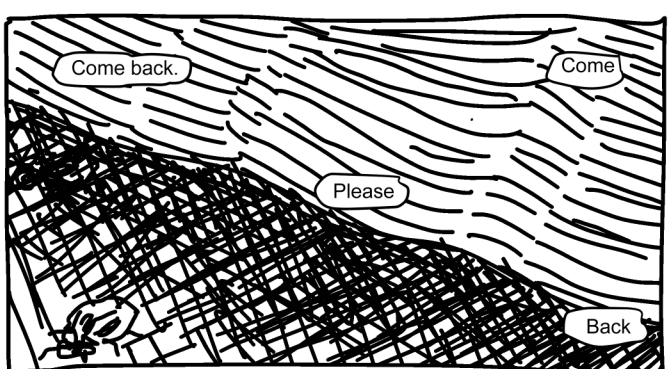
Daisy--what the hell is your problem!?
I don't know why, but you've been acting like a major dickhead lately.
I don't have time to baby you anymore, I have a life!
--I wish *you'd* get one too.

Whatever I'm done with this, have fun rotting or whatever.





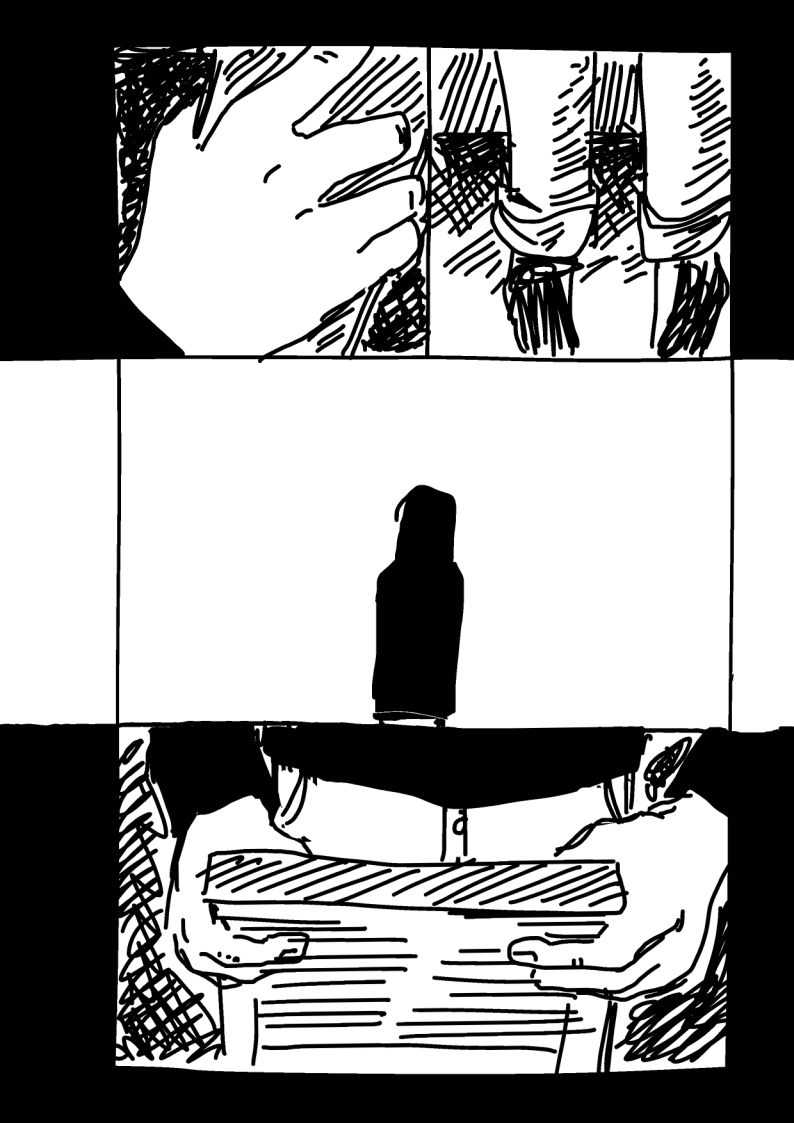
Axon.
Where did you go?

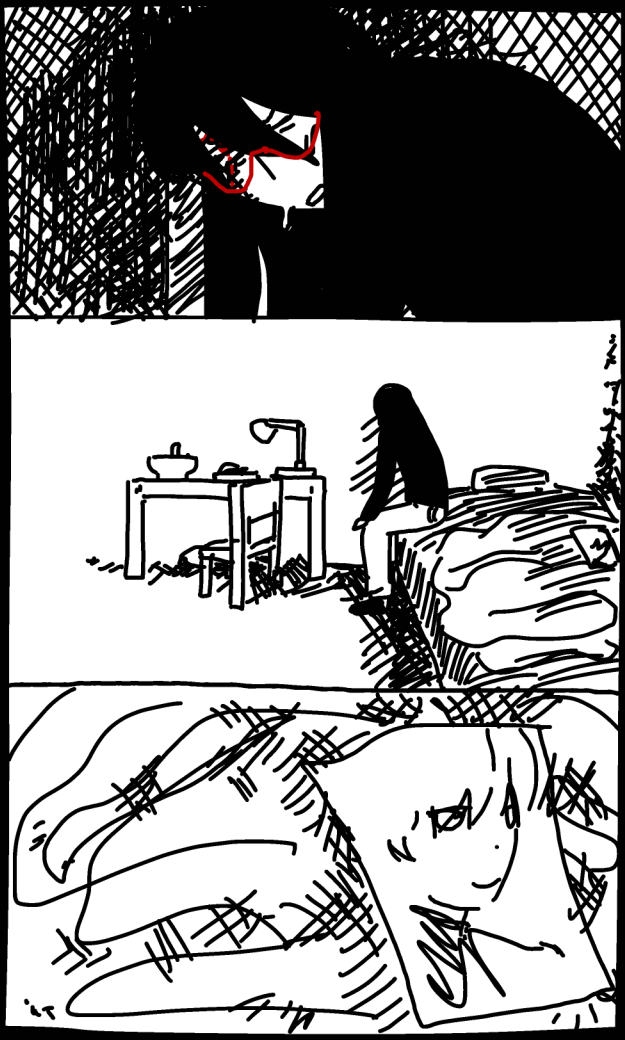


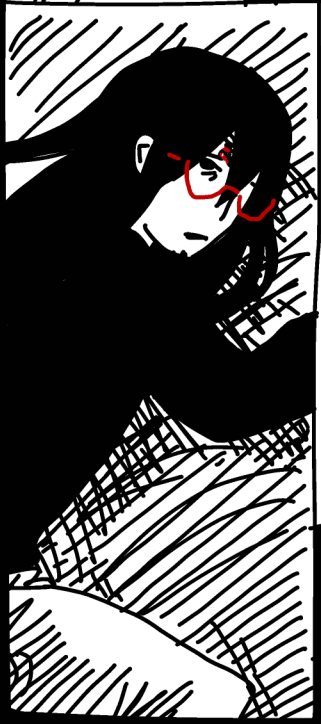
Come back.
Come
Please
Back

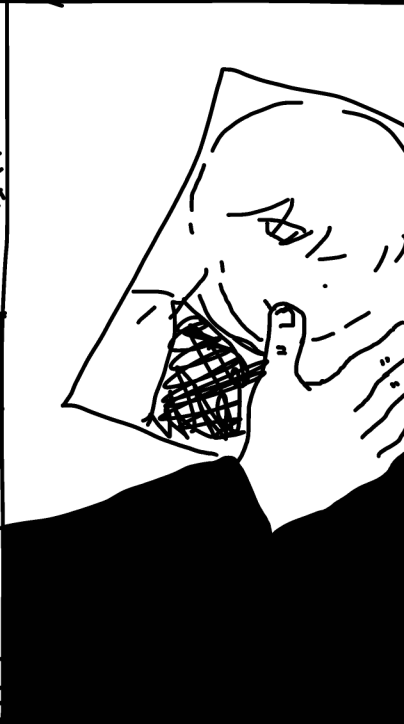
Help
Me.

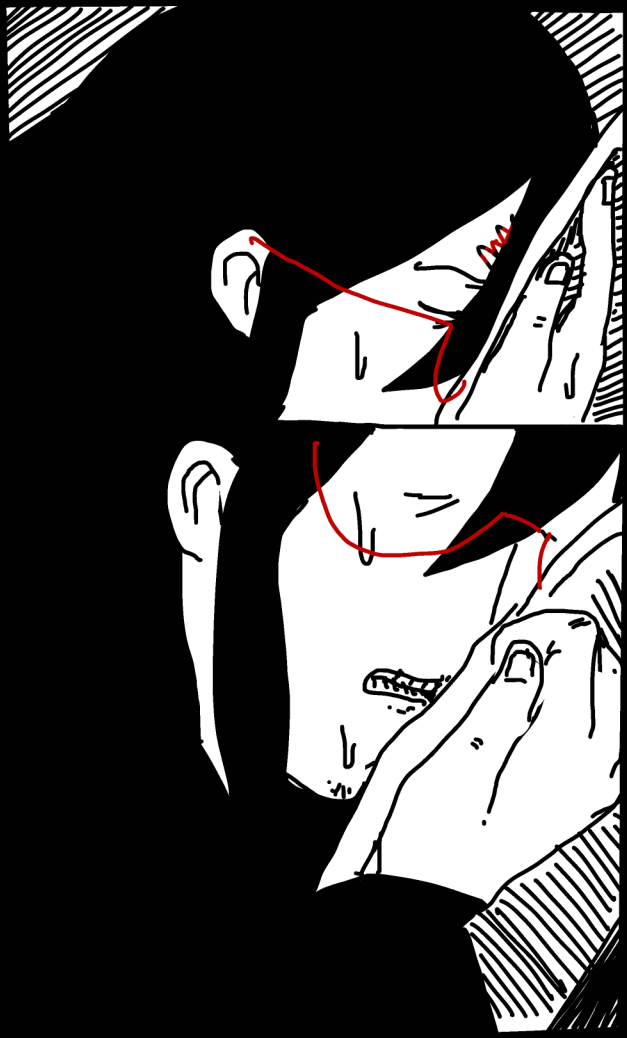
1:00 am





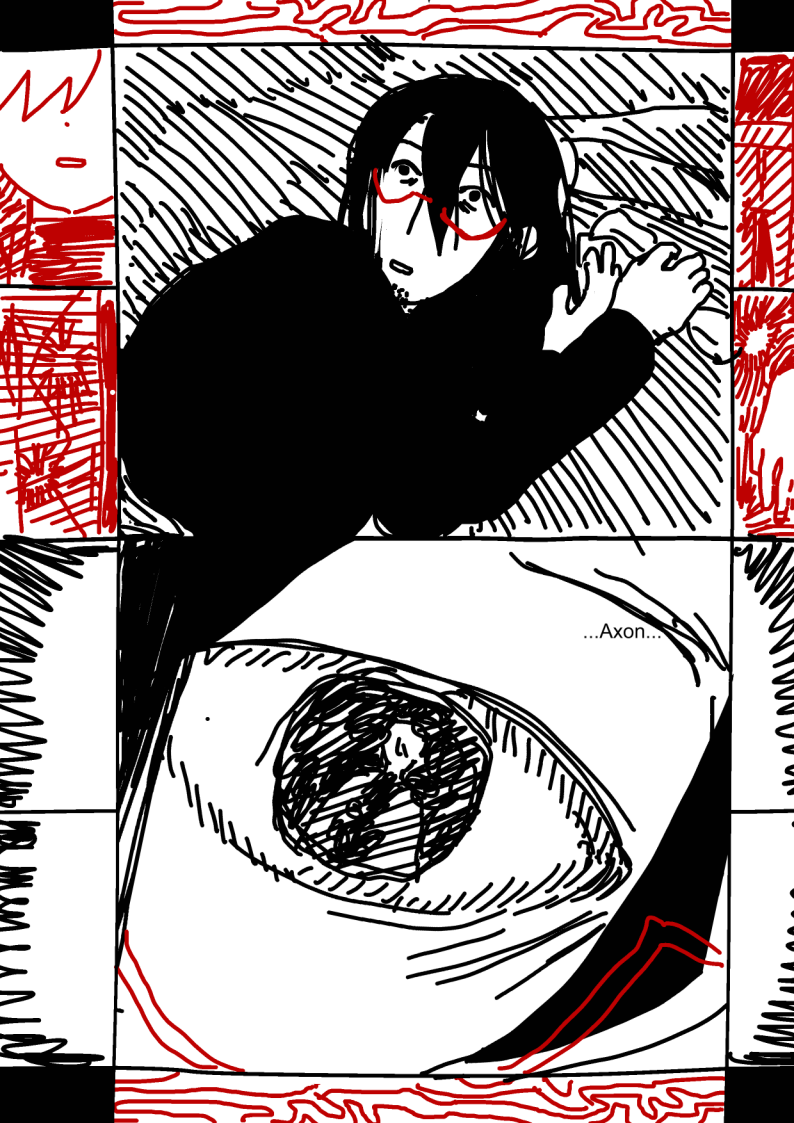




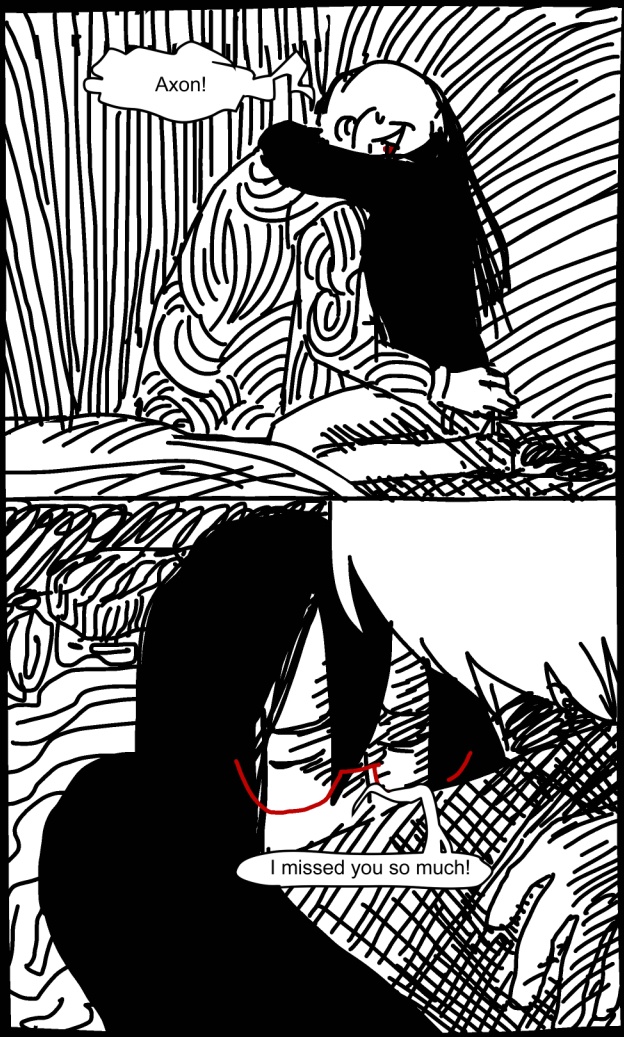


Daisy...

Are you okay?



...Axon...



Axon!
I missed you so much!

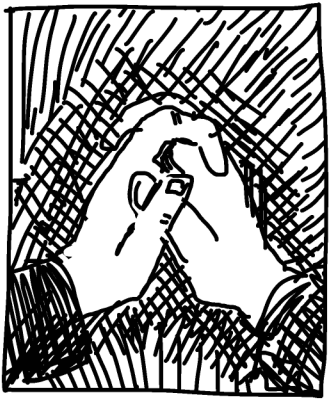
Why did you leave me ?
I'm sorry, Daisy.
I didn't mean to leave you.

One moment I was sitting in that room--
--and the next I was back in the city road.
It's okay, I forgive you.
...Daisy.

I think that room might be a portal between dimensions.
And...I...
I want to conduct an experiment to see if my theory is correct

What are you saying?

I want to go back into that little closet to see if I'll get transported again.



What!?

You can't do that!
You'll disappear again!
I'm not letting you do that!
Daisy, don't worry.

We'll just do it together.
That way if my theory is correct--
--I'll still be by your side.
But what if you're the only one who goes away
--and I'm left all alone?
Daisy, there's no reason that'd happen.

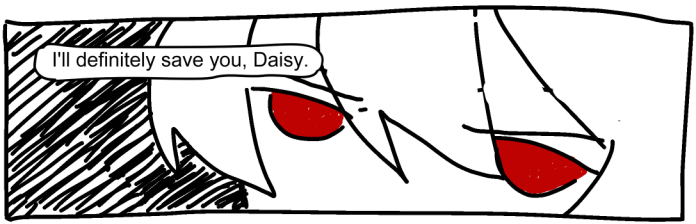
I understand that you're scared
I'm the only person to--
--to understand your situation--
--in a very long time.

I am determined to help you.
I truly do think this is the only real chance.
Don't you want to go back home?
Where you belong?

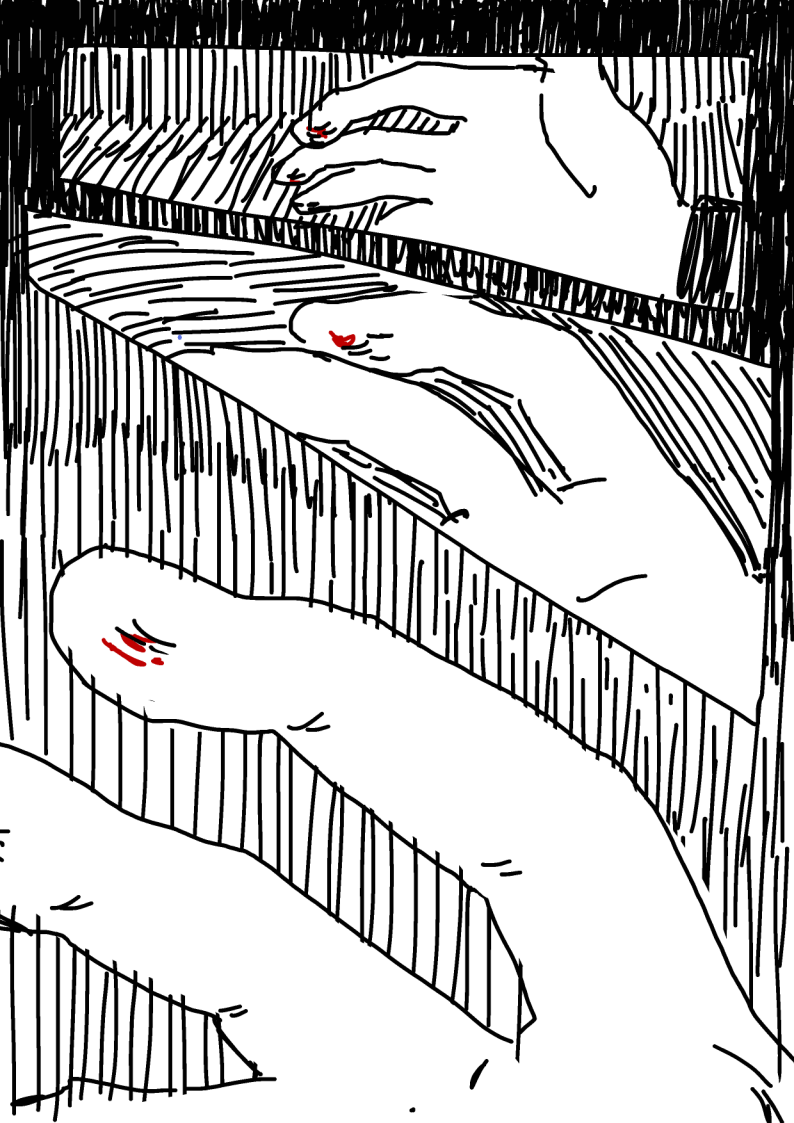
Yes...
Back home...
...Where I belong...
Let's go, Axon.

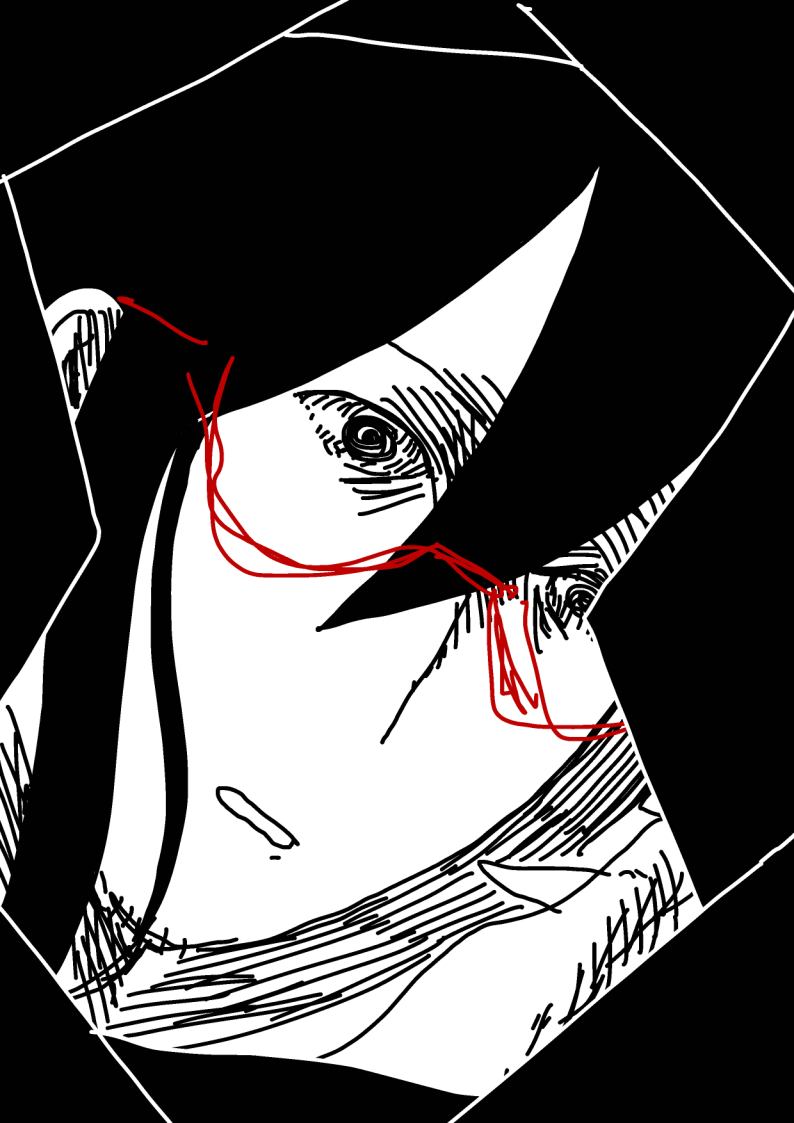
Would you like to sit down?

You suffered a lot when I disappeared, didn't you?
I really am truly sorry for leaving you.
Yes, it was, this place always is scary.



I'll definitely save you, Daisy.

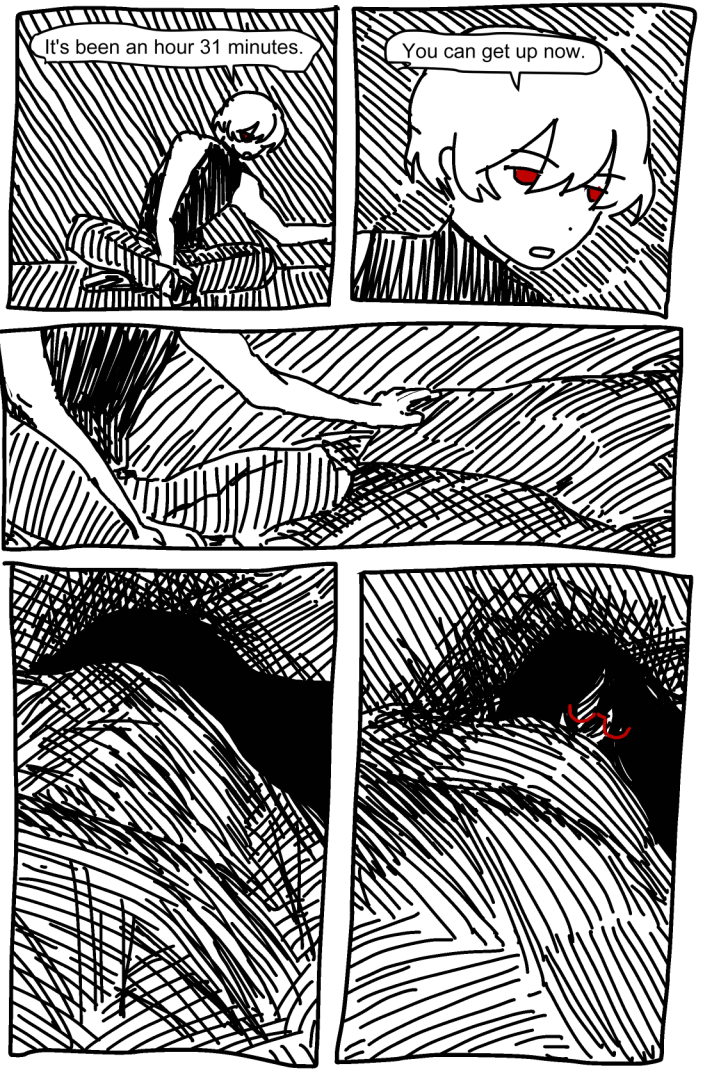




Axon.
Huh?
When can we... leave this room?
Well,
Last time I was in here, I'd say it took about...
...an hour 30 minutes or so before I went back?

I can start counting the seconds
I'll wake you up in an hour 30 minutes.
Okay.

4. The wheel of fortune



It's been an hour 31 minutes.
You can get up now.

Axon.

I'm going to get some food for both of us.

Are you sure?
Isn't it dangerous for you to go out? It's safer for you to-
I'm sure.
Yes, Axon.
Still, Daisy, I should go get food for us instead-
Axon.

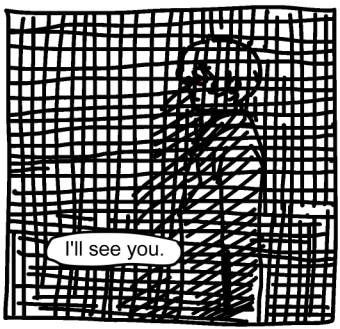
You're hungry, right? I am too.
I'll get us some eggs.

Alright then.
Oh!
Could you not leave this room, please?
I don't want to come back without knowing exactly where you are.

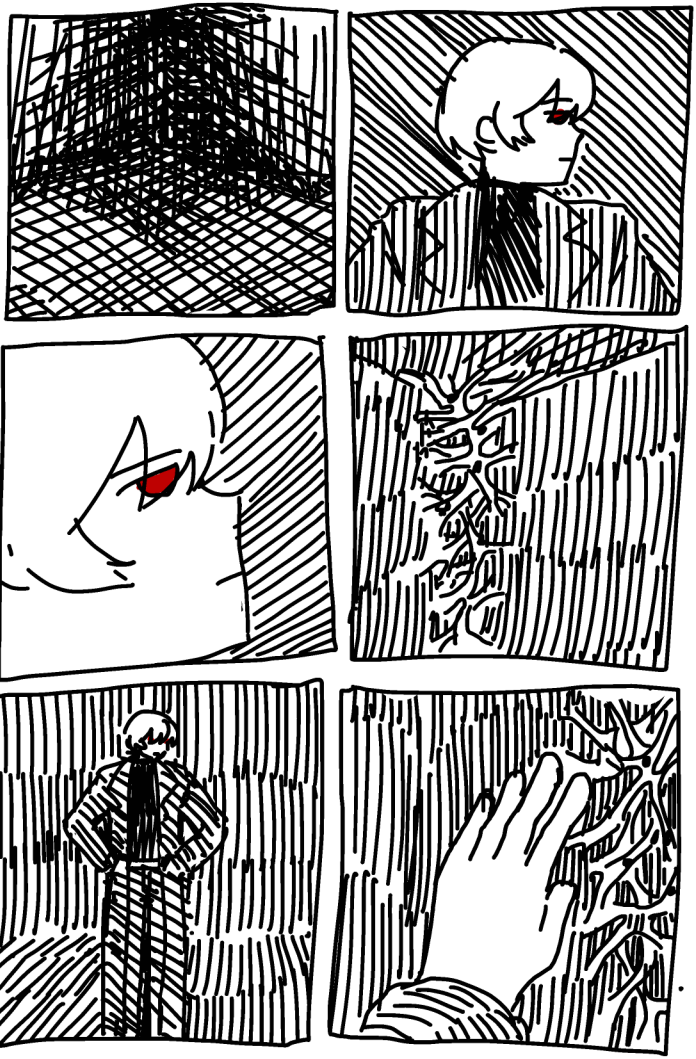
It'll scare me.

I understand completely.

Great. Goodbye then.

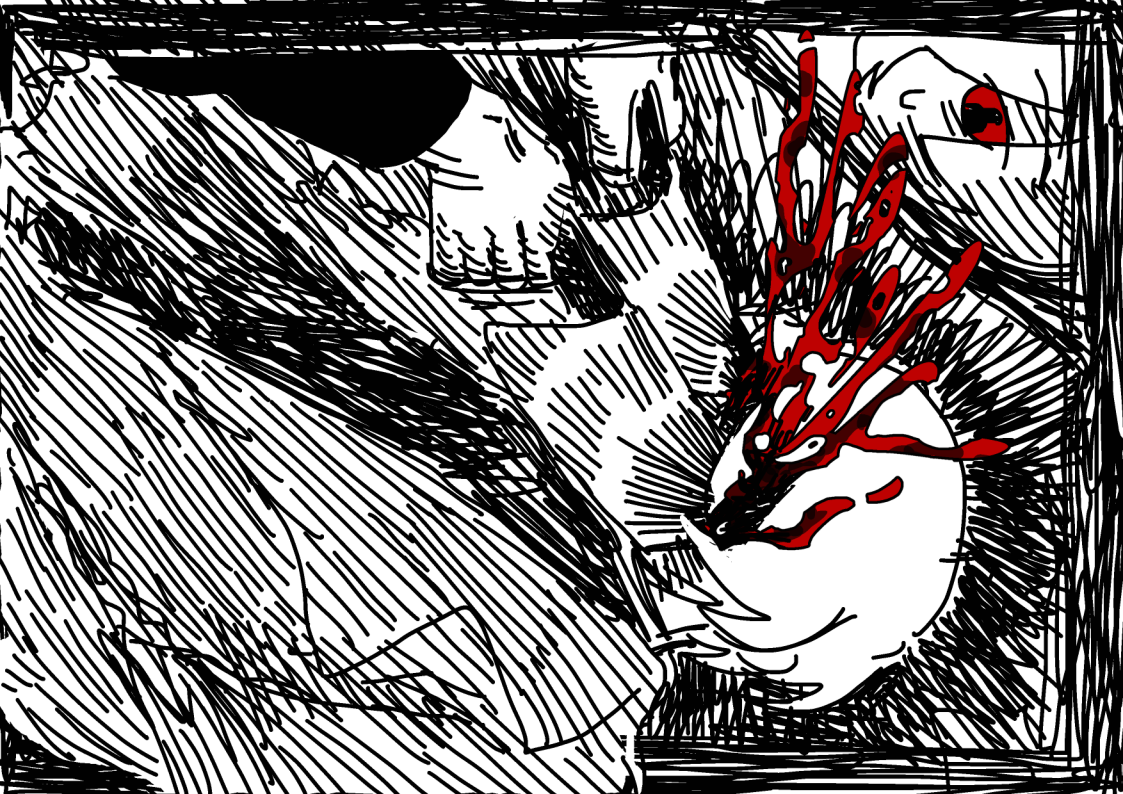


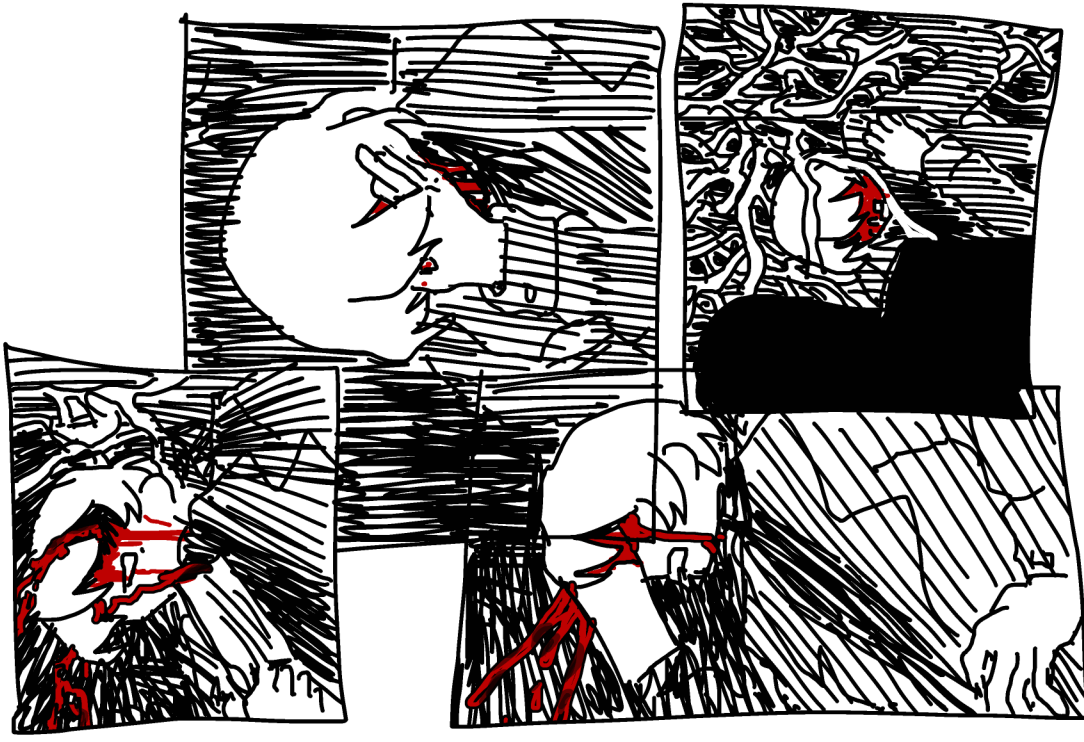
I'll see you.



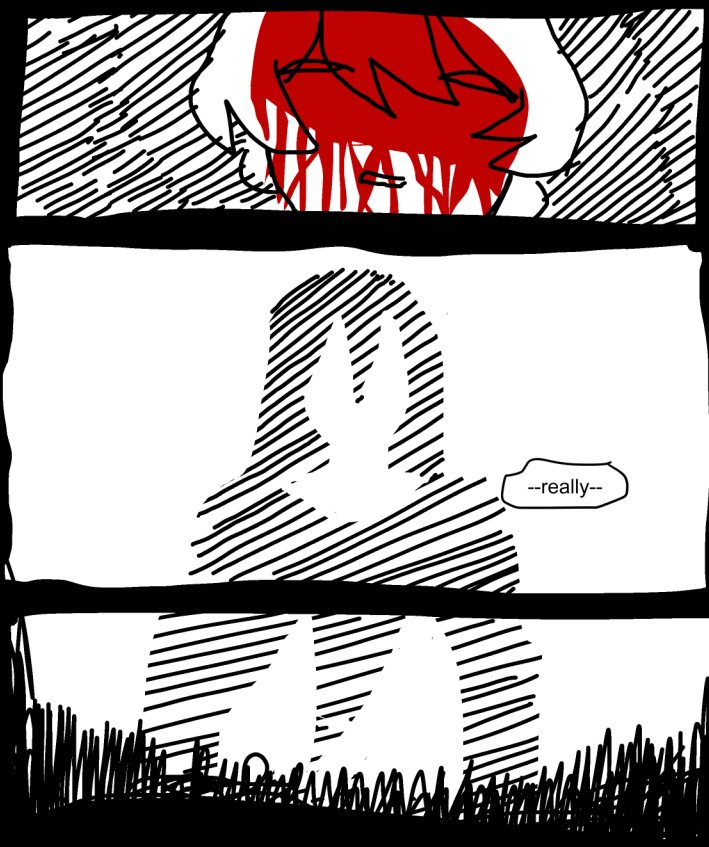
Oh.

You're back--





I'm--



--really--
--sorry.

Oh Axon!

I knew you couldn't die!
Dai...sy?
Why am I tied up?

Why did you stab me!?
I tied you up.
That's why you're tied up, Axon.
Why would you do that?

Daisy, I know you're scared,
But this kind of behaviour!!
Tying someone up in your bathroom,
It's not acceptable--

That isn't my blood...
Daisy.
Whose blood is this?

Axon, you're silly.

It's just my blood.

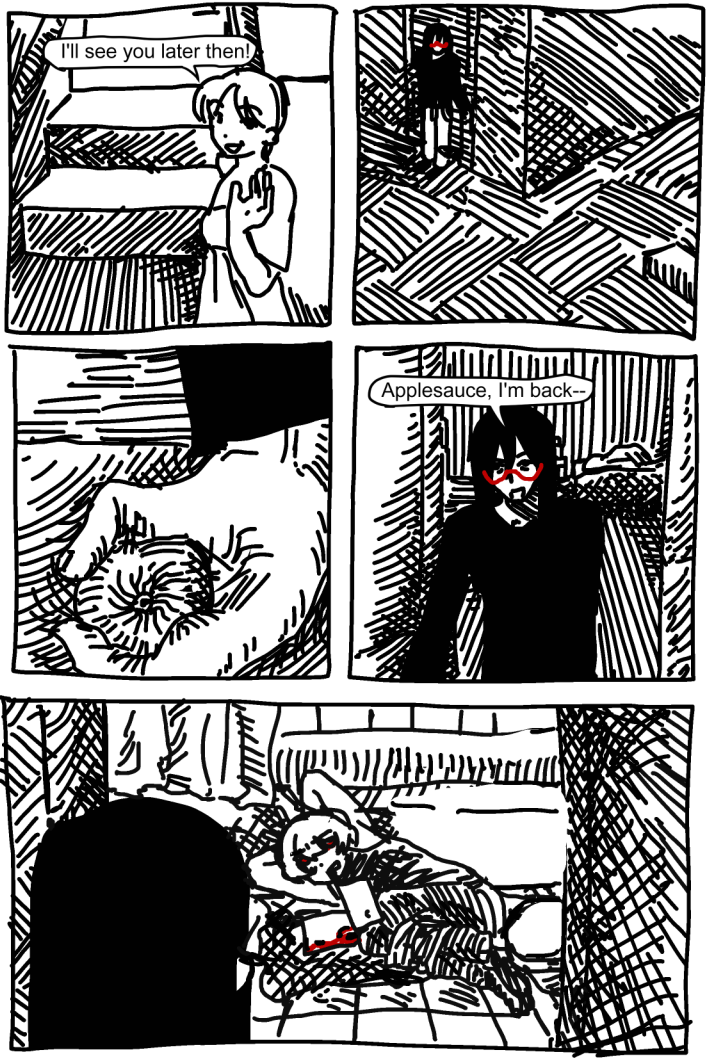
I fed it to you.
So we can stay together forever.

What?
Daisy? Are you in there?
Hope I'm not interrupting anything! Haha!
Ugh...
Sorry, Axon.

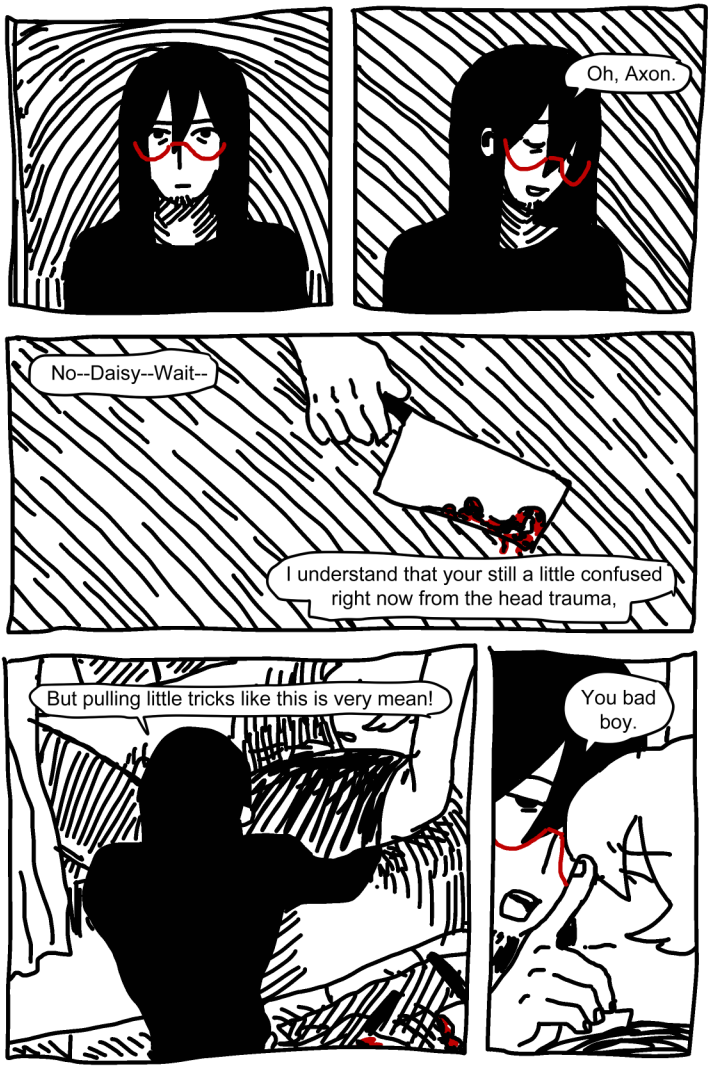
Daisy! Hey!
...Your hair...
Huh? Oh yeah,
I cut it, haha.

Um...
Daisy.
I'm sorry for what I said last time.
I really didn't mean it.
I brought this mac and cheese as a peace offering.

So are we cool?
Yes, we are cool.
Great! Uh--
I'll put the mac and cheese on the desk then!



I'll see you later then!
Applesauce, I'm back--

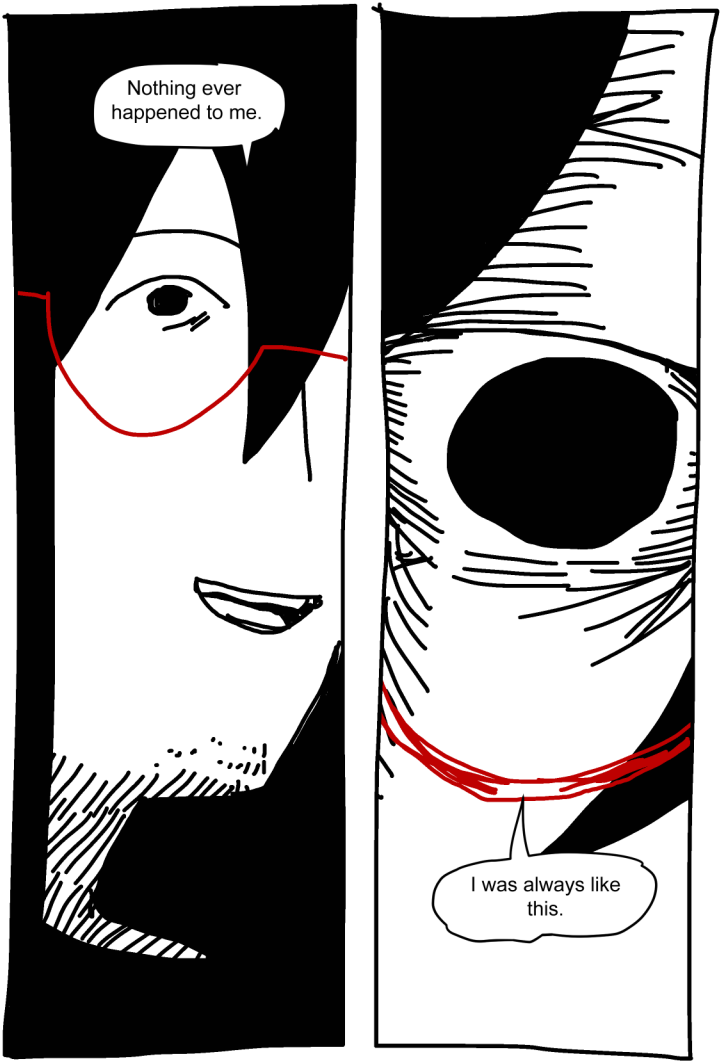


Oh, Axon.
No--Daisy--Wait--
I understand that your still a little confused right now from the head trauma,
But pulling little tricks like this is very mean!
You bad boy.

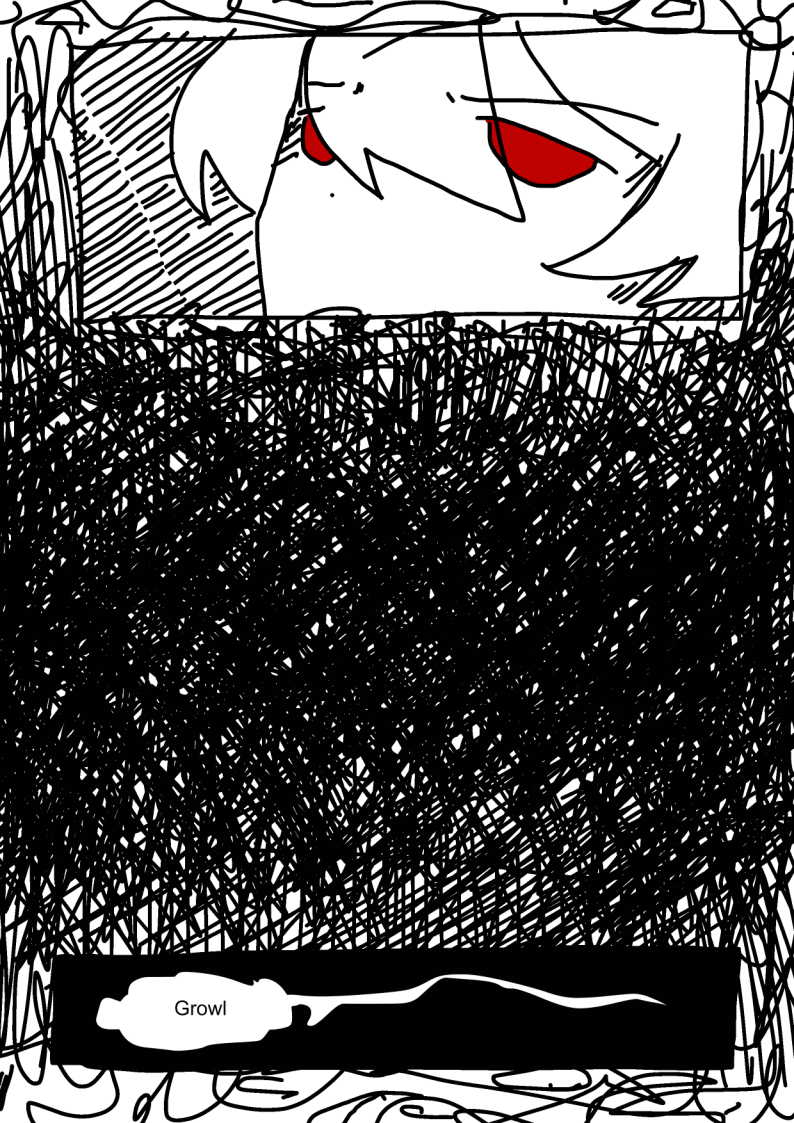
...Daisy.
Hm?
could the reason you're acting so bizzarely...

...because you're being puppeteered by Dr. Zeiroth?
Pwahahaha!
Oh! Ahahaha!
Daisy, I'm being serious!
I know you're a good person, you're just scared.

I think that Dr. Zeiroth took your fear and twisted it into something more extreme--
--so he would be able to use you to--
Axon.
This is just what I love so much about you,
Even though I've hacked a butcher knife into your eye
You still think I'm a good person.



Nothing ever happened to me.
I was always like this.



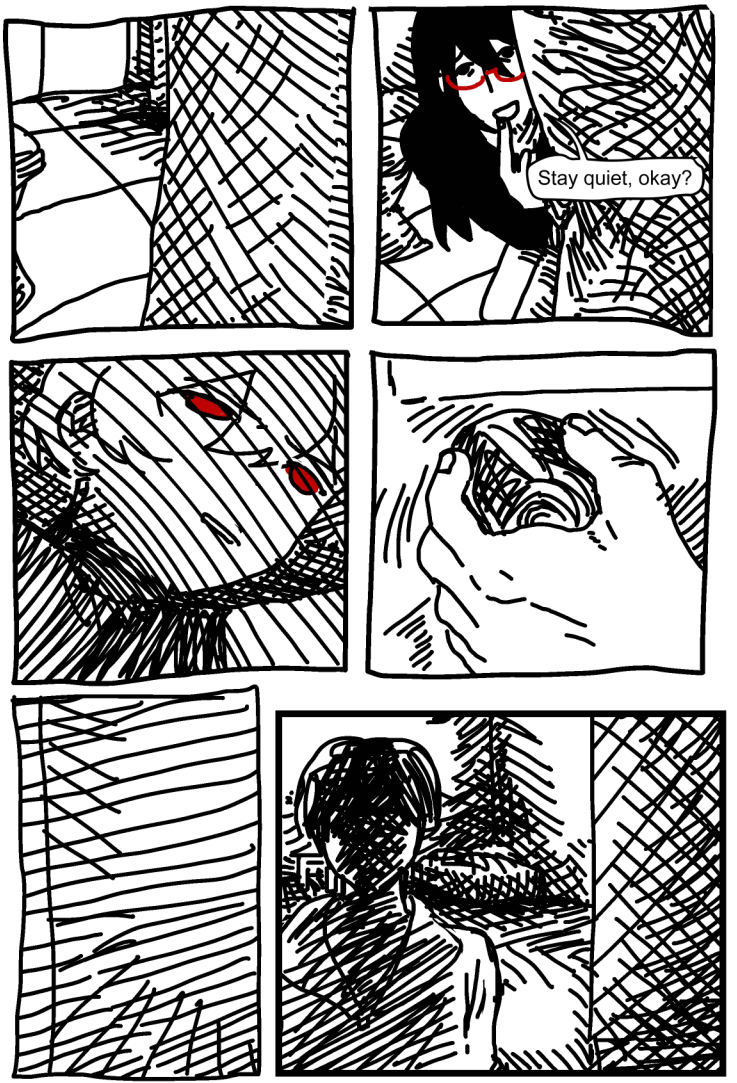
Growl

Axon, are you hungry?
Growl
Axon! You're hungry!
You need to eat!
There's some mac and cheese here...
But it's gross, so you won't like it.

Do you still want it?
Growl.
I knew it, you don't.
Growl.
Growl.
But you still need to eat something...
Oh yeah, that reminds me!

You need to feed on my blood!
This will definitely fill you up!
Good thing I didn't forget,
--that would've been horrible!
I'd like the mac and cheese! Please!

Ah?
...Fine, but you'll have to get some of it soon...
BANG
BANG
Who the hell...

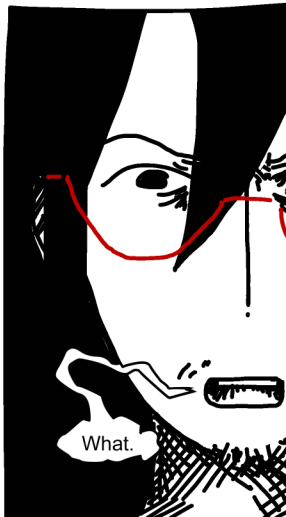


Stay quiet, okay?

Why didn't you answer any of my calls?
I was...in the bathroom.
Okay. Anyway.

A restaurant put up a poster on their window saying they were in need of help,

I applied for a position as a waiter for you.
You got an interview.

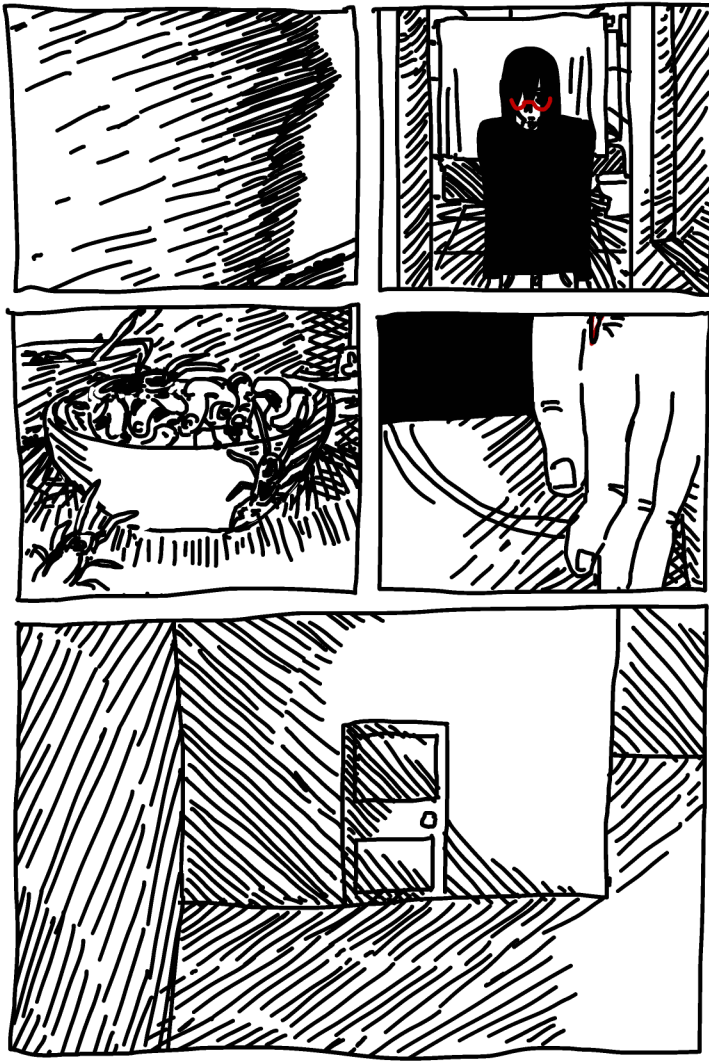


What.

I know right. I'm shocked too.
I'm not going!
What do you mean "you're not going"? I already sent in the application,
It got approved, you have to.
I never asked you to-- I'm not going!

Daniel, you are a slug.
You're going whether you like it or not.
I give you an opportunity to get your start in the world and actual life,
--and you refuse?
No, I'm not--I don't want to.

You don't control me. I don't have to listen to your orders.
Wow.
I birthe you and house you and feed you for 21 years
--and this is what I get?
Ungrateful good-for-nothing brat.



Miss me, Axon?
You're still mad, huh?

You must miss your old world, right?
I understand.
This one is so much worse...
So rotten and nasty...
Growl...
Oh right, meal time.

Daisy--
Daisy, your arm!

Daisy no--
Stop it.
Please just drink it Axon.

Do you mind licking the wound better for me, Axon?

I love you, Axon.
Daisy, why are you doing this?
Don't you want to go back to your home dimension?
Why are you keeping me captive rather than of letting me help you?
You claim to not be brainwashed, but...

Well,.
I do want to go to the other world, Axon.
But...
It's impossible, isn't it.
I'm just stuck here, all alone.
The only thing I have is you, Axon.
Without you, I'd die.

What about Maisy?Don't you care about her?
Maisy!?
That bitch was always so--brainwashed-
She could never understood anything about this--or me!
She's just like all the rest.
She fits in this world like a puzzle piece.
What about before my arrival then? You didn't have me, yet managed to survive for years.

I did have you.
I thought of you everyday for 10 years and your face just to keep myself alive.
In my drawings and in my mind.

Daisy.
It's not right Daisy!
Keeping someone captive against their will isn't right.
You need to untie me so I can help you,

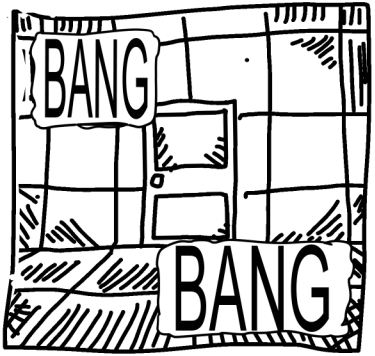
But then you'll run off on another 'reconnaissance' mission or whatever,
and then without my blood, you'll disappear from me again.
I won't do that.
I'll stay by your side, Daisy.
I'll find a way to get you, Maisy, and all the other victims--
--back to safe--

Axon.
All I'm asking for is for you to be with me.

It's really all I want.
Can't you just do that?

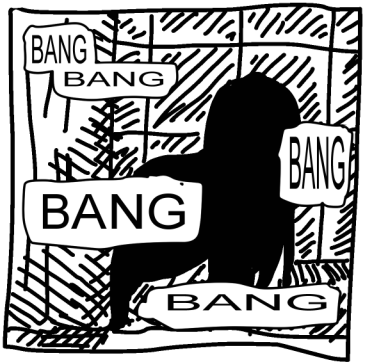
Daisy...

!.....



BANG
BANG

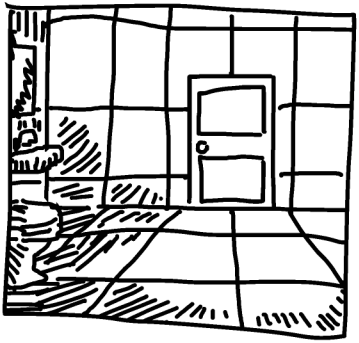
BANG
BANG



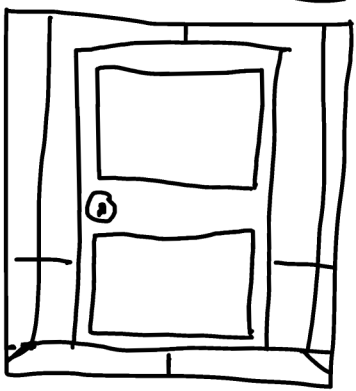
BANG
BANG
BANG
BANG
BANG

Axon?

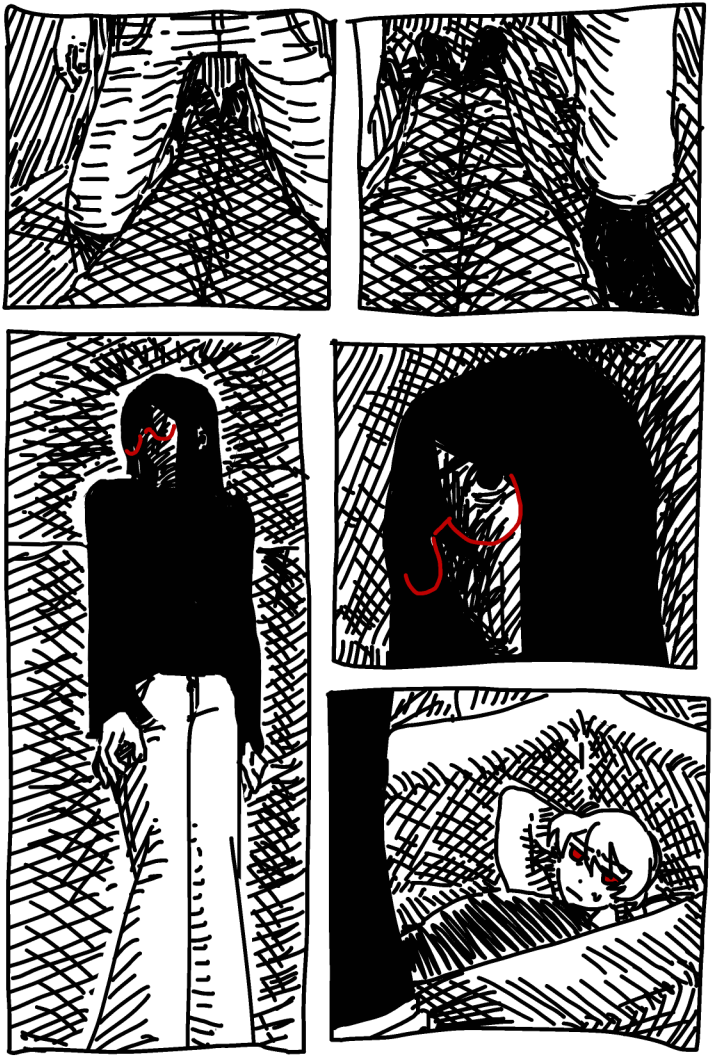
Er-



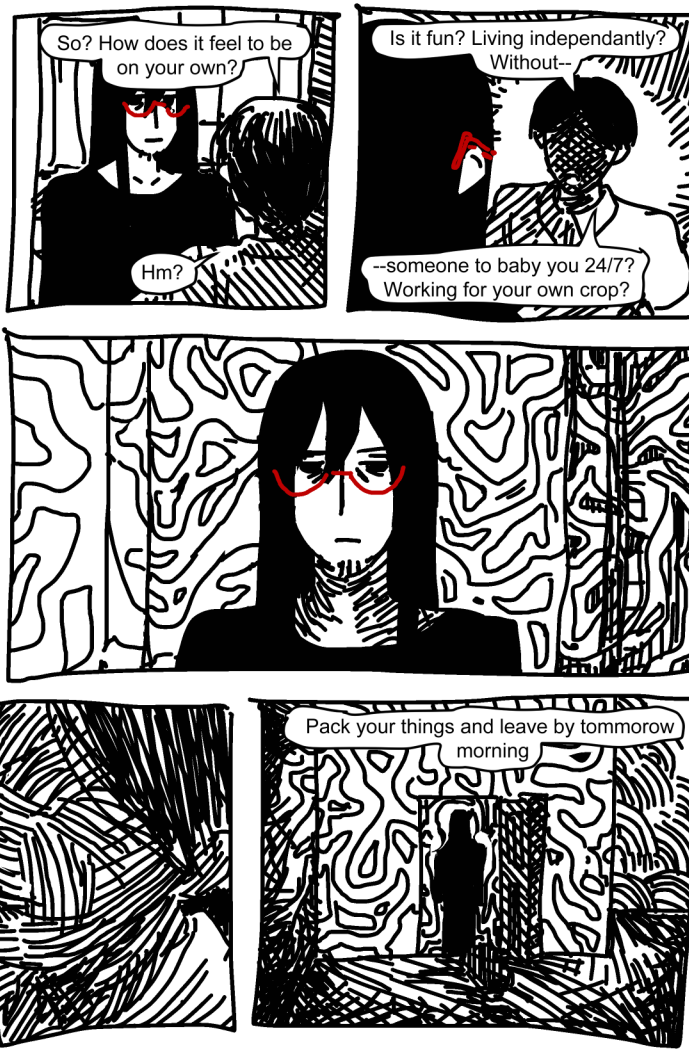
?



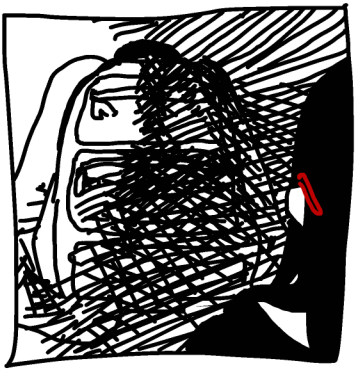
Daniel if you don't open this damn door right now, I'll tear it down.
I know you're in there and I know you're not doing anything.
Don't worry and come out,
--cause after this you'll definitely never have to see me again.

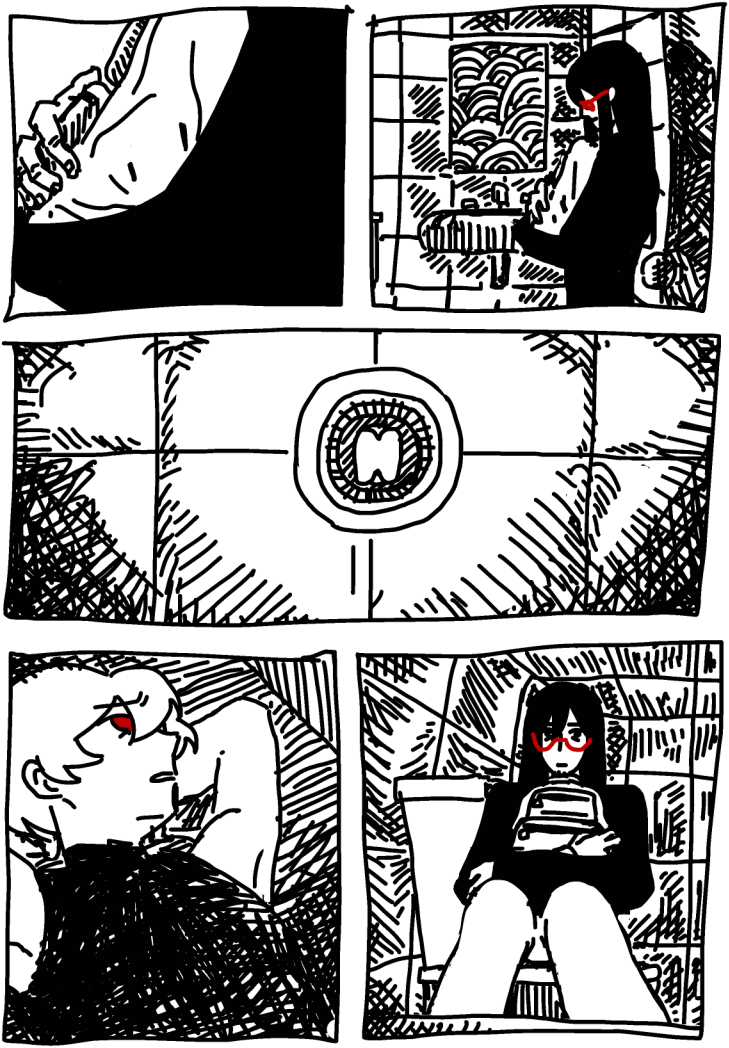


I'm kicking you out!
You said it yourself, didn't you?
I don't 'control' you, right? You don't "live under my rules", right? You're "you're own person"?
A free indiviual!



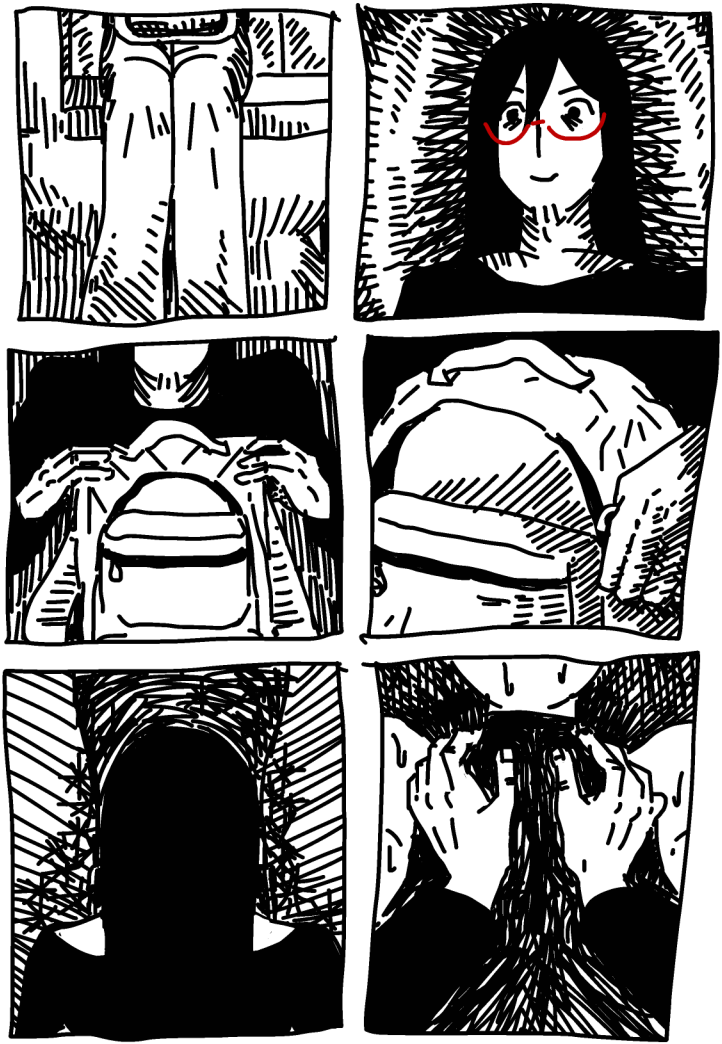
So? How does it feel to be on your own?
Hm?
Is it fun? Living independantly? Without--
--someone to baby you 24/7? Working for your own crop?
Pack your things and leave by tommorow morning





Hey, Axon.
Yes?

Do you think if I didn't feed you any blood for a bit,
--then went inside your body and waited long enough,
I'd go with you when your body returned to your original world?



Ugh...
Ah! Sorry Axon!
Phew~...

Uwah!
You're too big to fit, Axon.

...It's okay.
It'll fit if you just--
--fold yourself in like this,
Uhk!
Daisy!

What exactly are you trying do right now?
You can't tell, Axon?
No, I can't.
I don't understand you at all right now, Daisy.

Though, I wish I could.
Because something horrible has clearly happened to make you act this way--
--and you're clearly unaware of it.

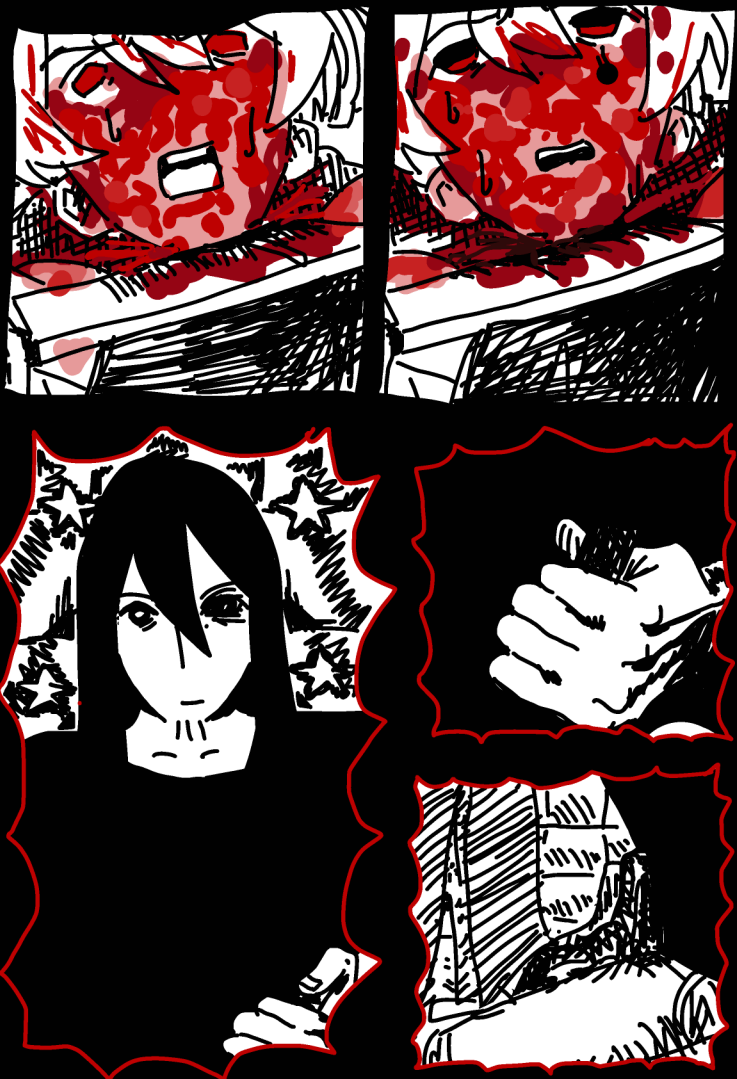
Daisy, what are you doing now?*
Axon.
Nothing has ever happened to me.

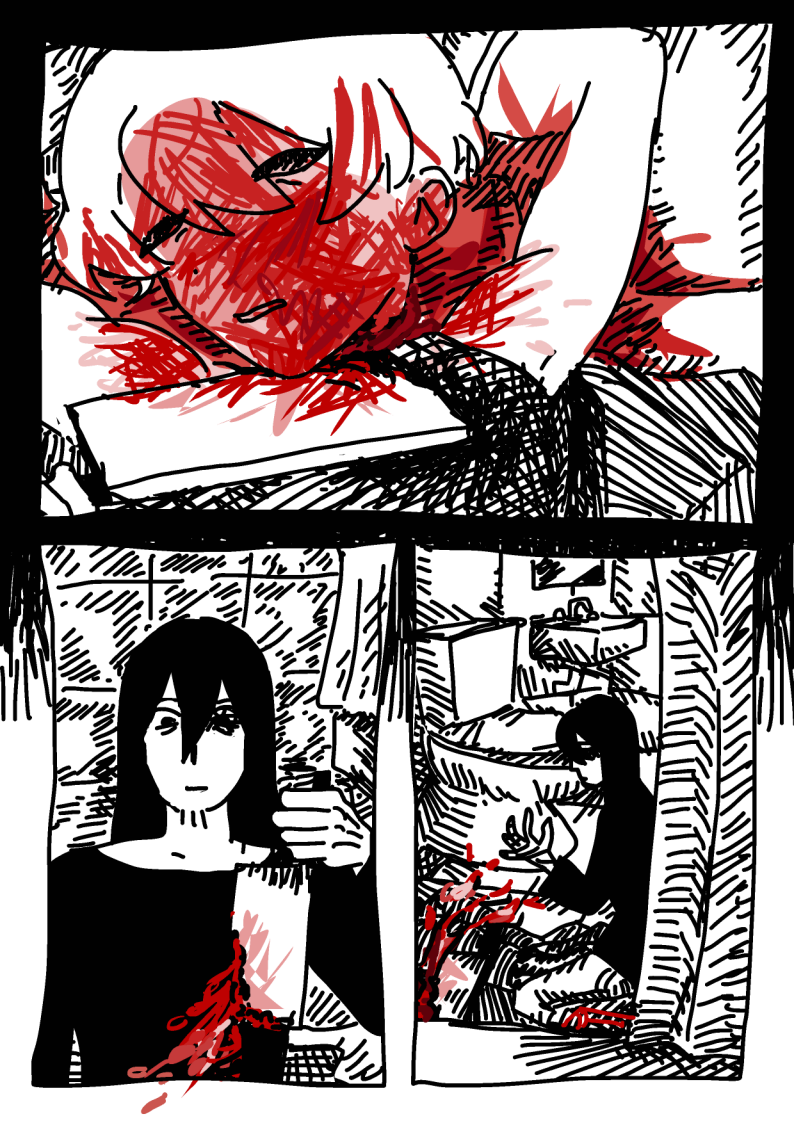
AUUGH.. DAISY..
that..
--HURTS
Daisy!

WHY!?
WHY ARE YOU DOING THIS TO ME!?
YOU SHOULDN'T BE ACTING THIS WAY!
YOU SHOULDN'T BE DOING
THIS YOU CAN'T BE DOING THIS.

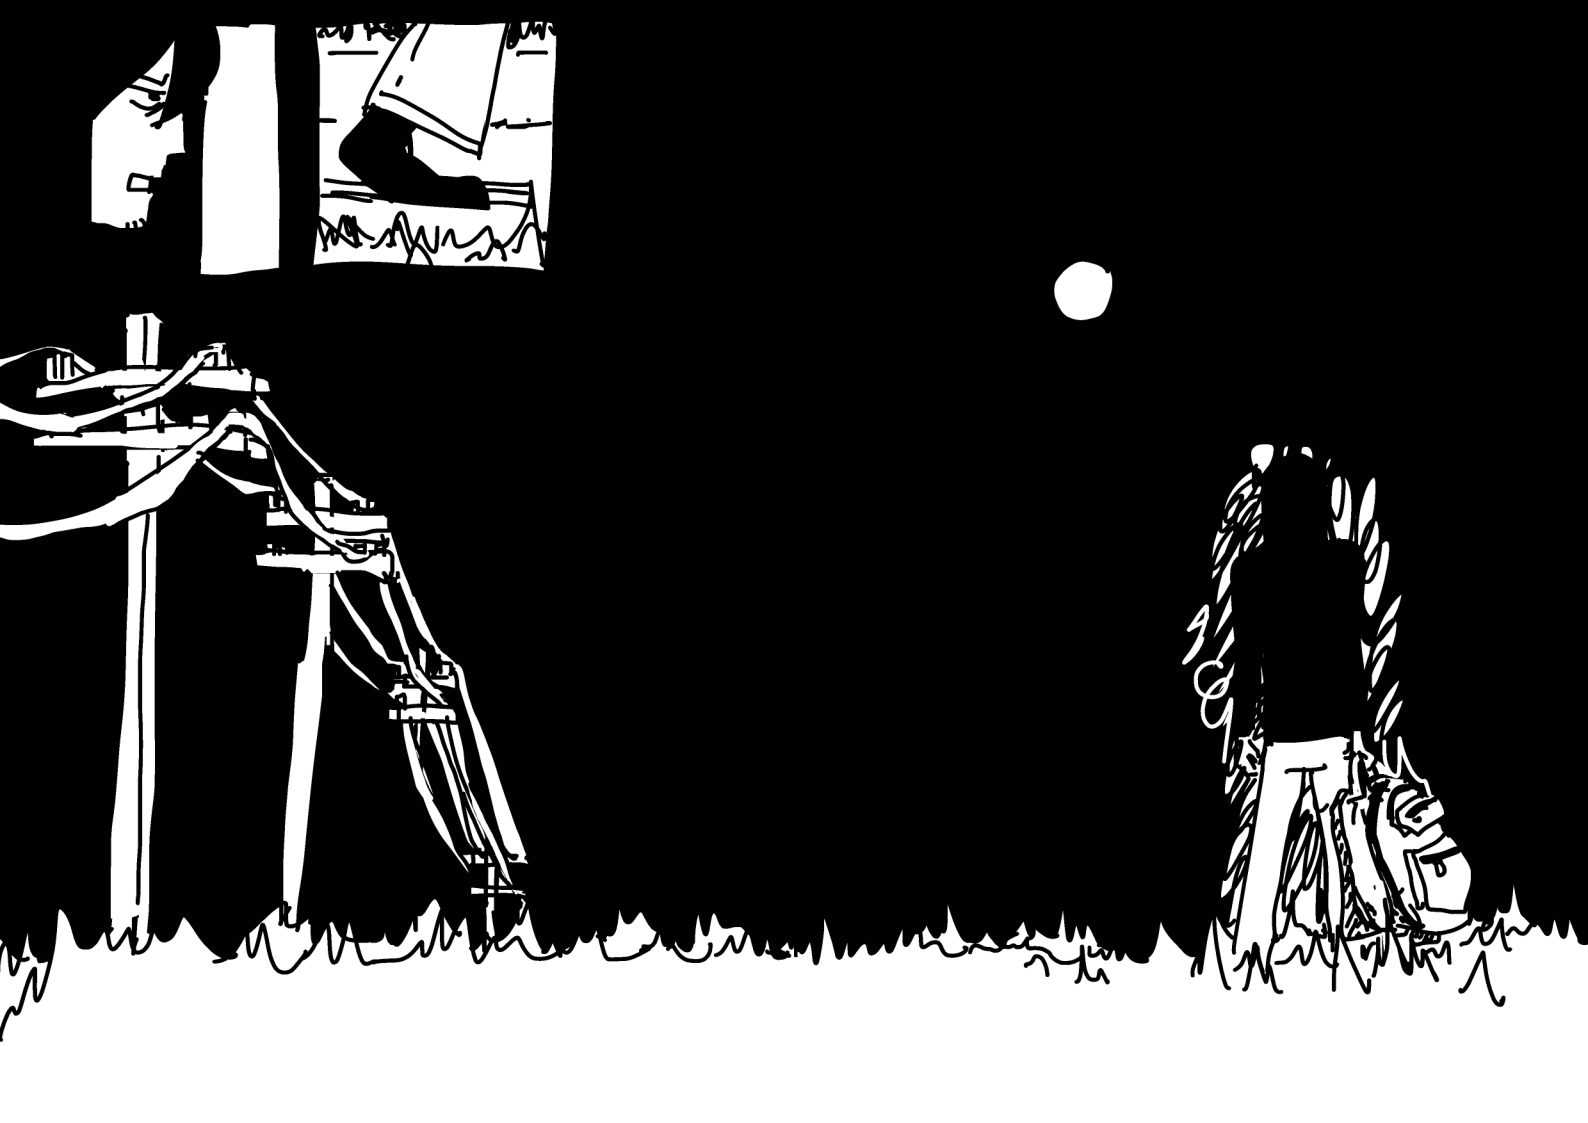
The real Axon would never treat me this way no he wouldn't
Axon is MINE and he does what I want him to do.
This evil world has just poisoned and corrupted you, Axon, that's why you're acting this way.
Don't worry, I'll-

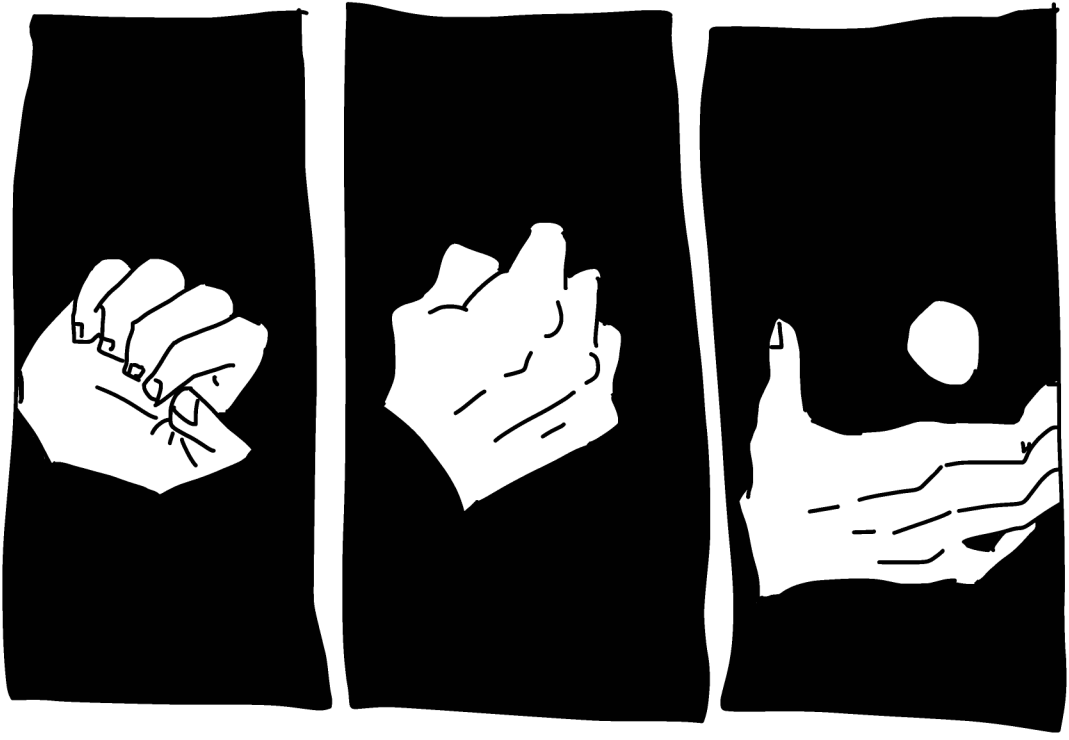
--SAVE US BOTH.

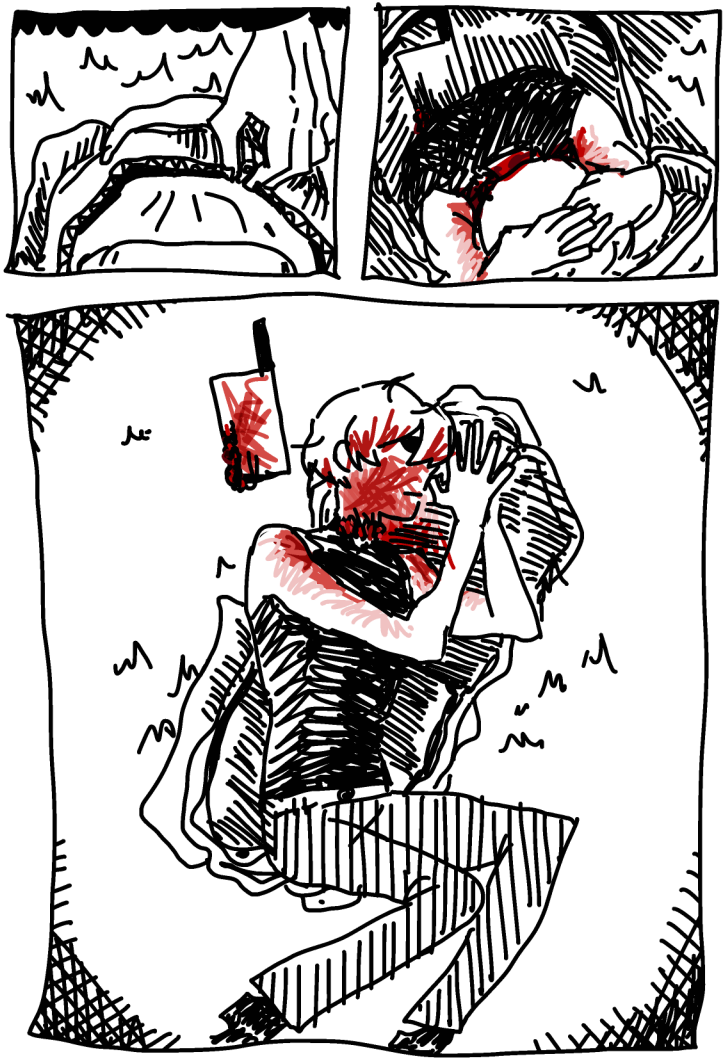




WELCOME







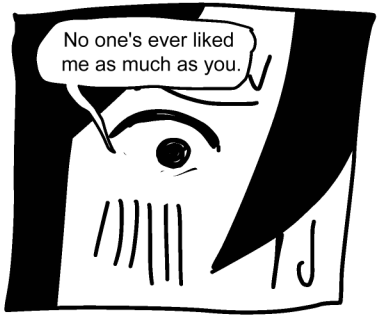
Axon, I can't see your face since it's so dark.
What a shame! Oh well,
It's night, of course it's dark,

Ah, have I never told you you're handsome?
You're very handsome, Axon.
Wow~ You look flustered~
I thought you knew already.
It feels different hearing it from me?
What does that mean, Axon?
Axon!

Do you like me?
Oh, you're the cutest, Axon.
Of course I'll be your...

--girl friend.

I'm so excited...

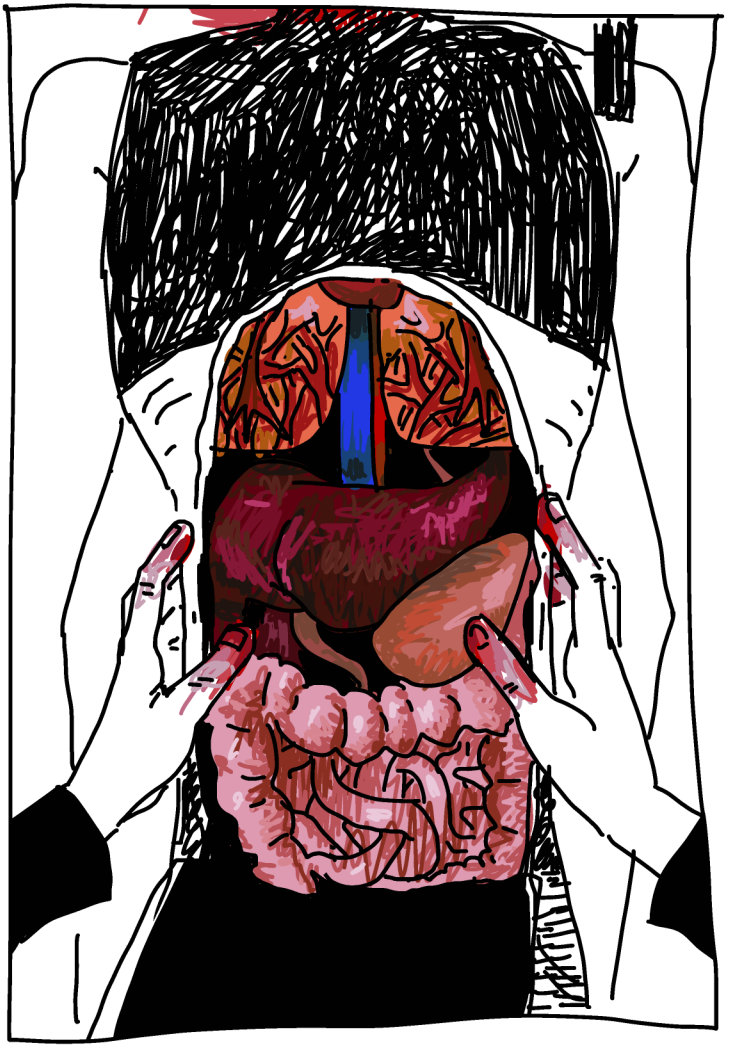


No one's ever liked me as much as you.

What should our first date be?

Hiking? The beach? Mountain climbing?
Fishing? Hunting? Shooting?

Axon, I can't wait to do so many fun things with you.



Axon...

We'll be together forever.

...Is it dead?
THE END
